□ 1644

Mr. REED and Mr. POMEROY changed their vote from "no" to "aye." So the amendment was rejected.

The result of the vote was announced as above recorded.

The CHAIRMAN. Are there further amendments to the bill?

If not, the question is on the committee amendment in the nature of a substitute, as amended.

The committee amendment in the nature of a substitute, as amended, was agreed to.

The CHAIRMAN. Under the rule, the Committee rises.

Accordingly the Committee rose; and the Speaker pro tempore (Mr. HASTINGS of Washington) having assumed the chair, Mr. HANSEN, Chairman of the Committee of the Whole House on the State of the Union, reported that that Committee, having had under consideration the bill (H.R. 655) to authorize the hydrogen research, development, and demonstration programs of the Department of Energy, and for other purposes, pursuant to House Resolution 136, he reported the bill back to the House with an amendment adopted by the Committee of the Whole.

The SPEAKER pro tempore. Under the rule, the previous question is ordered.

(By unanimous consent, Mr. SOLOMON was allowed to speak out of order.)

ANNOUNCEMENT BY CHAIRMAN OF COMMITTEE ON RULES REGARDING H.R. 961, CLEAN WATER ACT AMENDMENTS OF 1995

Mr. SOLOMON. Mr. Speaker, I ask to address the House to make an announcement.

Next Tuesday, May 9, the Rules Committee will be meeting to consider a rule for H.R. 961, the Clean Water Act Amendments of 1995.

Members should be aware that this rule may include a provision giving priority in recognition to Members who have caused their amendments to be printed in the amendment section of the CONGRESSIONAL RECORD prior to their consideration. In this case, the preprinting of amendments is optional.

Since the bill is expected to be considered on the House floor on Wednesday, May 10, Members should try to have their amendments printed in the CONGRESSIONAL RECORD by Tuesday, May 9. Amendments to be preprinted should be signed by the Member, and submitted at the Speaker's table.

Members should use the Office of the Legislative Counsel to ensure that their amendments are properly drafted and should check with the Office of the Parliamentarian to be certain that their amendments comply with the rules of the House. It is not necessary to submit amendments to the Rules Committee or to testify.

The SPEAKER pro tempore. Is a separate vote demanded on any amendment to the committee amendment in the nature of a substitute adopted by the Committee of the Whole? If not, the question is on the amendment.

The amendment was agreed to. The SPEAKER pro tempore. The question is on the engrossment and third reading of the bill.

The bill was ordered to be engrossed and read a third time, was read the third time, and passed.

The title of the bill was amended so as to read: "A bill to authorize basic research, development, and demonstration on hydrogen as a fuel, and for other purposes."

A motion to reconsider was laid on the table.

FURTHER APPOINTMENT OF CONFEREE ON H.R. 1158, EMERGENCY SUPPLEMENTAL APPROPRIATIONS FOR ADDITIONAL DISASTER ASSISTANCE AND MAKING RESCISSIONS FOR FISCAL YEAR 1995

The SPEAKER pro tempore. Pursuant to the authority of the Speaker under clause 6-F of rule 10, without objection, the Chair appoints the gentleman from California [Mr. PACKARD] as a manager on the part of the House in the committee of conference on H.R. 1158.

There was no objection. The SPEAKER pro tempore. The Clerk will notify the Senate of the change in conferee.
