

district for maintaining consistently high student achievement on statewide assessment tests.

These honors bestowed upon the Rose Tree Media School District stem from Hank's ingenuity and dedication to the school system. To enhance the education of the entire community, Hank developed the "RTM Challenge," a program to promote recreational reading for not only students, but for staff and parents, as well.

Throughout his long and admirable career, Hank Nacrelli has brought an extraordinary level of commitment to the positions he has held. He has helped mold the lives of thousands of young people, providing students with a positive educational experience as a community leader. Under his leadership, the Rose Tree Media School District has met the multitude of challenges facing education today. As a result, he has earned the utmost respect of students, staff, parents, and the rest of the community.

As a former teacher, I have great respect for men and women who dedicate their lives to the education of America's children. Mr. Speaker, please join me in congratulating Henry T. Nacrelli for his leadership and dedication to education, and in wishing him much happiness in his retirement. His guidance will certainly be missed, but his legacy will long endure.

Mr. GILLMOR. Mr. Speaker, I would like to take this opportunity to recognize an exceptional young man from my district who has recently accepted his appointment as a member of the class of 1999 at the U.S. Naval Academy.

William M. Couch graduated Margaretta High School in 1992 and joined the Navy. In the service, he has won numerous awards and commendations. While in high school, William distinguished himself as a leader among his peers. He is an outstanding citizen and patriot.

Mr. Speaker, one of the most important responsibilities of Members of Congress is to identify outstanding young men and women and to nominate them for admission to the U.S. service academies. While at the Academy, they will be the beneficiaries of one of the finest educations available, so that in the future, they might be entrusted with the very security of our Nation.

I am confident that William M. Couch has both the ability and the desire to meet this challenge. I ask my colleagues to join me in congratulating him for his accomplishments to date and to wish him the best of luck as he continues his career in service to our country.

#### CENTRAL UTAH PROJECT PREPAYMENT AMENDMENT OF 1995

### HON. JAMES V. HANSEN

OF UTAH

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, June 13, 1995*

Mr. HANSEN. Mr. Speaker, I rise today to introduce the Central Utah Water Project Prepayment Amendment of 1995.

Under this legislation, the Secretary of the Interior will be extended the authority to allow the Central Utah Water Conservancy District to prepay municipal and industrial water delivery facilities under the same terms and conditions as negotiated by the Department of the Interior for the prepayment of the Jordan Aq-

ueduct system as previously authorized in section 210 of the Central Utah Project Completion Act.

The bill does not call for any new Federal spending. The title to the facilities will remain with the United States of America. I am informed by the district's bond counsel that the prepayment of these Federal contracts could in fact result in as much as a \$200 million payment to the Federal Treasury.

The successful implementation of this amendment will be beneficial financially to both the Federal Government and the local water district.
