ADDITIONAL STATEMENTS

STAFFING OF DOD OVERSEAS SCHOOLS

● Mr. HOLLINGS. Mr. President I call the attention of my colleagues to an educational matter that requires continued attention. Americans serving in the armed services who are stationed overseas usually depend on Department of Defense Dependents Schools to educate their children. It has been a matter of concern that these overseas schools do not provide the same level of educational services as schools on military installations in the United States. I ask to have printed in the RECORD the executive summary of a recent study providing hard numbers substantiating this concern. I hope Senators will consider the findings of this study as we draw down forces in Europe and as we provide for an appropriate quality of life for members of our Armed Forces stationed overseas.
