SEC. 2. FINDINGS AND PURPOSES.

(a) FINDINGS.—Congress finds that—

(1) increasing international competition, technological advances, and structural changes in the United States economy present new challenges to private businesses and public policymakers in creating a skilled workforce with the ability to adapt to change and technological progress;

(2) despite more than 60 years of federally funded employment training programs, the Federal Government has no single, coherent policy guiding employment training efforts;

(3) according to the General Accounting Office, there are over 100 federally funded employment training programs, which are administered by 15 different Federal agencies and cost more than \$20,000,000,000 annually;

(4) many of the programs fail to collect enough performance data to determine the relative effectiveness of each of the programs or the effectiveness of the programs as a whole;

(5) because of the fragmentation, duplication, and lack of accountability that currently exist within and among Federal employment training programs it is often difficult for workers, jobseekers, and businesses to easily access the services they need;

(6) high quality, innovative vocational education programs provide youth with skills and knowledge on which to build successful careers and, in providing the skills and knowledge, vocational education serves as the foundation of a successful workforce development system;

(7) in recent years, several States and communities have begun to develop promising new initiatives such as—

(A) school-to-work programs to better integrate youth employment and education programs; and

(B) one-stop systems to make workforce development activities more accessible to workers, jobseekers, and businesses; and

(8) Federal, State, and local governments have failed to adequately allow for private sector leadership in designing workforce development activities that are responsive to local labor market needs.

(b) PURPOSES.—The purposes of this Act are—

(1) to make the United States more competitive in the world economy by eliminating the fragmentation in Federal employment training efforts and creating coherent, integrated statewide workforce development systems designed to develop more fully the academic, occupational, and literacy skills of all segments of the workforce;

(2) to ensure that all segments of the workforce will obtain the skills necessary to earn wages sufficient to maintain the highest quality of living in the world; and

(3) to promote the economic development of each State by developing a skilled work-

force that is responsive to the labor market needs of the businesses of each State.

(5) NEGOTIATIONS.—

(A) INITIAL DETERMINATION.—On receipt of a State plan submitted under section 104, the Federal Partnership shall, not later than 30 days after the date of the receipt, determine—

(B) NOTIFICATION.—The Federal Partnership shall immediately notify the State of the determinations referred to in subparagraph (A). If the Federal Partnership determines that the proposed State benchmarks are not sufficient to make the State eligible for an incentive grant under section 122(a), the Federal Partnership shall provide the State with guidance on the steps the State may take to allow the State to become eligible for the grant.

(C) REVISION.—Not later than 30 days after the date of receipt of the notification referred to in subparagraph (B), the State may revise some or all of the State benchmarks identified in the State plan in order to become eligible for the incentive grant or provide reasons why the State benchmarks should be sufficient to make the State eligible for the incentive grant.

(D) DETERMINATION.—After reviewing any revised State benchmarks or information submitted by the State in accordance with subparagraph (C), the Federal Partnership shall make a determination on the eligibility of the State for the incentive grant, as described in paragraph (6), and provide advice to the Secretary of Labor and the Secretary of Education. The procedures shall require that the State provide the information to the State and local agencies carrying out the programs through which the welfare assistance is provided, in a manner that ensures that the agencies can monitor compliance with the conditions regarding the receipt of the welfare assistance.

(a) INCENTIVES.—

(1) IN GENERAL.—The Secretary of Labor and the Secretary of Education, acting jointly on the advice of the Federal Partnership, may award incentive grants of not more than \$15,000,000 per program year to a State that—

(2) USE OF FUNDS.—A State that receives such a grant may use the funds made available through the grant to carry out any workforce development activities authorized under this title.

(b) SANCTIONS.—

(1) FAILURE TO DEMONSTRATE SUFFICIENT PROGRESS.—If the Federal Partnership determines, after notice and an opportunity for a hearing, that a State has failed to demonstrate sufficient progress toward reaching the State benchmarks established under section 121(c) for the 3 years covered by a State plan described in section 104, the Federal Partnership shall provide advice to the Secretary of Labor and the Secretary of Education. The Secretary of Labor and the Secretary of Education, acting jointly on the advice of the Federal Partnership, may reduce the allotment of the State under section 102 by not more than 10 percent per program year for not more than 3 years. The Federal Partnership may determine that the failure of the State to demonstrate such progress is attributable to the workforce employment activities, workforce education activities, or flexible workforce activities, of the State and provide advice to the Secretary of Labor and the Secretary of Education. The Secretary of Labor and the Secretary of Education, acting jointly on the advice of the Federal Partnership, may decide to reduce only the portion of the allotment for such activities.

(2) EXPENDITURE CONTRARY TO TITLE.—If the Governor of a State determines that a

local entity that carries out workforce employment activities in a substate area of the State has expended funds made available under this title in a manner contrary to the objectives of this title, and such expenditures do not constitute fraudulent activity, the Governor may deduct an amount equal to the funds from a subsequent program year allocation to the substate area.

(c) FUNDS RESULTING FROM REDUCED ALLOTMENTS.—The Secretary of Labor and the Secretary of Education, acting jointly on the advice of the Federal Partnership, may use an amount retained as a result of a reduction in an allotment made under subsection (b)(1) to award an incentive grant under subsection (a).

Mr. ASHCROFT proposed an amendment to amendment No. 2885 proposed by Mrs. KASSEBAUM to the bill S. 143, supra; as follows:

On page 65, between lines 23 and 24, add the following subsection:

(i) LIMITATIONS ON PARTICIPANTS.—

(1) FINDING.—Congress finds that—

(A) the possession, distribution, and use of drugs by participants in workforce employment activities should not be tolerated, and that such use prevents participants from making full use of the benefits extended through such activities at the expense of taxpayers; and

(B) applicants and participants should be tested for illegal drug use, in order to maximize the training and assistance provided under this Act.

(2) DRUG TESTS.—Each local entity carrying out workforce employment activities described in subparagraph (A), (B), (C), (D), (E), (G), (H), (J), or (K) of subsection (a)(6) shall administer a drug test—

(A) on a random basis, to individuals who apply to participate in such activities; and

(B) to a participant in such activities, on reasonable suspicion of drug use by the participant.

(3) ELIGIBILITY OF APPLICANTS.—In order for such an applicant to be eligible to participate in workforce employment activities, the applicant shall agree to submit to a drug test administered as described in paragraph (2) and, if the test is administered to the applicant, shall pass the test.

(4) ELIGIBILITY OF PARTICIPANTS.—In order for such a participant to be eligible to participate in workforce employment activities described in subparagraph (A), (B), (C), (D), (E), (G), (H), (J), or (K) of subsection (a)(6), the individual shall agree to submit to a drug test administered as described in paragraph (2) and, if the test is administered to the participant, shall pass the test. If a participant refuses to submit to the drug test, or fails the drug test, the local entity shall dismiss the participant from participation in the activities.

(5) REAPPLICATION.—

(A) IN GENERAL.—Except as provided in subparagraph (B), an individual who is an applicant and is disqualified from eligibility under paragraph (3), or who is a participant and is dismissed under paragraph (4), may reapply, not earlier than 6 months after the date of the disqualification or dismissal, to participate in the workforce employment activities described in subparagraph (A), (B), (C), (D), (E), (G), (H), (J), or (K) of subsection (a)(6). If the individual demonstrates that the individual has completed a drug treat-

ment program and passed a drug test within the past 30 days, the individual may participate in such activities, under the same terms and conditions as apply to other applicants and participants, including submission to drug tests administered as described in paragraph (2).

(B) SECOND DISQUALIFICATION OR DISMISSAL.—If the individual reapplies to participate in the activities and fails a drug test administered under paragraph (2) by the local entity, while the individual is an applicant or a participant, the local entity shall disqualify the individual from eligibility for, or dismiss the individual from participation in, the workforce employment activities. The individual shall not be eligible to reapply for participation in the activities for 2 years after such disqualification or dismissal.

(6) APPEAL.—A decision by a local entity to disqualify an individual from eligibility for participation in workforce employment activities under paragraph (3) or (5), or to dismiss a participant as described in paragraph (4) or (5), shall be subject to expeditious appeal in accordance with procedures established by the State in which the local entity is located.
