# Congressional Record

The public proceedings of each House of Congress, as reported by the Official Reporters thereof, are printed pursuant to directions of the Joint Committee on Printing as authorized by appropriate provisions of Title 44, United States Code, and published for each day that one or both Houses are in session, excepting very infrequent instances when two or more unusually small consecutive issues are printed at one time. ¶The Congressional Record is available as an online database through *GPO Access*, a service of the U.S. Government Printing Office. The online database is updated each day the Congressional Record is published. The database includes both text and graphics from the beginning of the 103d Congress, 2d Session (January 1994) forward. Six month subscriptions are available for \$200 and one month of access can be purchased for \$35. Discounts are available for multiple-workstation subscriptions.
