

It is thus no surprise that PSU has received a number of national awards for its innovative curriculum and for its work serving the metropolitan community and the State. Last year, the school received over \$3 million from foundations and Federal agencies to support its cutting-edge undergraduate curriculum. For the same reason it is also has been recognized by the American Association of Higher Education, the American Association of State Colleges and Universities, and the Interstate Commission on Higher Education as a national model for innovative undergraduate education.

The 50th anniversary is a time to celebrate the achievements of the past and look forward to the innovations and adventures of the future. The faculty, staff, and students at Portland State University, past and present, deserve our congratulations on a remarkable history and our best wishes for future success. ●
