

Sanders of Murfreesboro, TN on his upcoming retirement as executive director of the United Way of Rutherford County. After 15 years of dedicated service, Brock will retire on April 15, 1996.

Brock has spent his entire life in positions of public service. After playing football at the University of Tennessee at Knoxville and graduating in 1956, Brock was commissioned a second lieutenant in the U.S. Air Force through the ROTC program. During the next 20 years, Brock held many positions which were instrumental in leading our country to victory in the cold war. From his service in Vietnam to his time as an instructor at the U.S. Air Force Academy, Brock was an invaluable officer in our Nation's service.

After retiring in 1980 as a colonel from the Air Force, Brock retired to his home to Murfreesboro, only to continue serving his community. As executive director of the United Way of Rutherford County, he saw a remarkable increase in pledges. During a time in which the national average for increase in United Way pledges was 105 percent, Brock Sanders oversaw an increase of 849 percent. The United Way of Rutherford County has been recognized numerous times for having one of the strongest bases of support in the nation. This success has been due in large part to the leadership of Brock Sanders.

I want to thank Brock for his many years of service, congratulate him on a job well done, and wish him the best in his retirement.

COMMENDATION FOR LINCOLN-WAY HIGH SCHOOL DISTRICT 210

HON. JERRY WELLER

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Friday, March 29, 1996

Mr. WELLER. Mr. Speaker, today I'd like to honor the great achievement of Lincoln-Way High School District 210 and its outstanding recognition by Money magazine and Redbook magazine.

This national commendation demonstrates the excellence of Lincoln-Way High School—something in which this community prides itself. The parents, teachers, students and community all deserve a thanks for their hard work and dedication to providing a quality education and for producing young people who are mentally ready to meet their next challenge.

Redbook honors Lincoln-Way High School as part of its America's best schools project.

And, in the category of excellence in parenting/community involvement, Lincoln-Way was the only school from Illinois chosen. This in itself is very impressive and I am very proud to represent a community where academic excellence is a high priority.

Nearly 400 schools were nominated for recognition in one of six categories and a panel of judges chose only 155 winners. Truly this is an honorable distinction for Lincoln-Way High School and those involved.

I would like to congratulate everyone associated with Lincoln-Way High School—this award is well deserved and should be shared by all. It is my great honor to represent a community that is so involved in the education of its children.

HEALTH COVERAGE AVAILABILITY AND AFFORDABILITY ACT OF 1996

SPEECH OF

HON. DONALD A. MANZULLO

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Thursday, March 28, 1996

Mr. MANZULLO. Mr. Speaker, the legislation we are considering here today, H.R. 3103, will enable millions of Americans to purchase affordable health insurance. H.R. 3103 will extend to Americans of all incomes, health status, and employment status the ability to enter into the health care market.

One of the biggest problems facing workers in job transition is that health insurance is not portable. Although the average person will change jobs eight times during his working life, employees are limited in their ability to keep their health insurance during job changes and periods of unemployment. One consequence is that many employees experience job lock, remaining in jobs just to keep their health insurance.

H.R. 3103 addresses this problem in several ways. This bill allows individuals to purchase tax-free medical savings accounts [MSA's], which allow people to contribute to their own health care savings fund. Under MSA's, people could confine health insurance to catastrophic coverage, reduce their monthly insurance premiums and make deposits to a MSA instead. Insurance would be used to pay for expensive and infrequent treatments, while MSA funds would be used to pay small bills covering routine medical services. Moreover, these accounts would be portable so that if one person moves to another job or loses their job, health coverage would not end. MSA's would make it easier for employees to pay premiums during unemployment or job transition. Since workers are spending their own money, MSA's also would restrain health care spending by empowering consumers to make cost-conscious purchasing decisions.

This legislation also provides portability for persons moving from one employer group health plan to another. Under this bill, when a person is covered by an employer health plan, the plan cannot refuse to cover a preexisting condition for more than 12 months. However, individuals changing jobs would receive credit for periods of continuous health care coverage under their previous employer's group health plan. So if a person has employer-sponsored health coverage for at least 12 months and switches to another employer who provides
