

the enrollment of the bill (H.R. 956) to establish legal standards and procedures for product liability litigation, and for other purposes, the Clerk of the House of Representatives shall make the following corrections:

At the appropriate place, add the following:

SEC. . FOREIGN PRODUCTS.

(a) GENERAL RULE.—In any product liability action for injury that was sustained in the United States and that relates to the purchase or use of a product manufactured outside the United States by a foreign manufacturer, the Federal court in which such action is brought shall have jurisdiction over such manufacturer if the manufacturer knew or reasonably should have known that the product would be imported for sale or use in the United States.

(b) ADMISSION.—If in any product liability action a foreign manufacturer of the product involved in such action fails to furnish any testimony, document, or other thing upon a duly issued discovery order by the court in such action, such failure shall be deemed an admission of any fact with respect to which the discovery order relates.

(c) PROCESS.—Process in an action described in subsection (a) may be served wherever the foreign manufacturer is located, has an agent, or transacts business.

Mr. LINDER. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, I just would like to point out for those coming to the floor to vote on this issue that nobody criticized the rule. It is a normal rule for a conference report. The debate throughout the whole last hour has been on the bill. We will have an opportunity to debate that in the next hour and vote on that.

I urge my colleagues to come to the floor and vote for the previous question, vote for the rule, and move on to the bill.

Mr. Speaker, I yield back the balance of time, and I move the previous question on the resolution.

The SPEAKER pro tempore. The question is on ordering the previous question.

The question was taken; and the Speaker pro tempore announced that the ayes appeared to have it.

Mr. FROST. Mr. Speaker, I object to the vote on the ground that a quorum is not present and make the point of order that a quorum is not present.

The SPEAKER pro tempore. Evidently a quorum is not present.

The Sergeant at Arms will notify absent Members.

Pursuant to the provisions of clause 5 of rule XV, the Chair announces that he will reduce to a minimum of 5 minutes the period of time within which a vote by electronic device, if ordered, will be taken on the question of adoption of the resolution.

The vote was taken by electronic device, and there were—yeas 237, nays 173, not voting 21, as follows:
