PERSONAL EXPLANATION

Mr. SMITH of Michigan. Mr. Speaker, on rollcall No. 128, I was outside the Chamber. Had I been present, I would have voted "aye."

PERSONAL EXPLANATION

Mrs. SMITH of Washington. Mr. Speaker, I was unavoidably detained and was not able to cast a vote on H.R. 2160. If I would have been present, I would have voted "yes."

This bill contains provisions that make changes to existing law and allows disaster assistance to be continued to be made available in the Pacific Northwest for salmon fishermen. As we know, the salmon industry has been devastated in the Northwest because of a variety of factors. In Pacific and Grays Harbor Counties, this once thriving industry has almost disappeared, causing severe economic dislocation. This disaster assistance made available in this bill will help mitigate the impact of the decline in the salmon industry in Washington State.

Again, I would like to advocate my strong support for the Cooperative Fisheries Management Act. I appreciate the fine work of Chairman SAXTON in bringing this important legislation to the floor.
