“(B) in the absence of such an Act, the rate of operations provided for such project or activity pursuant to a joint resolution making continuing appropriations for such preceding fiscal year.

“(C) the rate of operations provided for in the House or Senate passed appropriation bill for the fiscal year in question, except that the lower of these two versions shall be ignored for any project or activity for which there is a budget request if no funding is provided for that project or activity in neither version.

“(D) the rate provided in the budget submission of the President under section 1105(a) of title 31, United States Code, for the fiscal year in question, or
