

NF and neurofibromatosis research is already providing breakthroughs in understanding more about cancer. And we all know how to pronounce that.

I want to thank you for having me here, for joining me in an effort to raise awareness of a disease that is in dire need of acknowledgement, community education, and extensive research if we are going to find a cure.

Thank you very much.

ORDER FOR ADJOURNMENT

Mr. DOMENICI. Mr. President, if there is no further business to come before the Senate, I ask that the Senate stand in adjournment under the previous order, following the remarks of the distinguished Senator from Wisconsin.

The PRESIDING OFFICER. Without objection, it is so ordered.

CONCURRENT RESOLUTION ON THE BUDGET

The Senate continued with the consideration of the concurrent resolution.

The PRESIDING OFFICER. The Senator from New Mexico is recognized for the amendment.

AMENDMENT NO. 4019

Mr. DOMENICI. On behalf of Senators DOLE, HATCH, and HELMS, I submit an amendment and ask for its immediate consideration. I guess I need consent. I ask unanimous consent that the pending amendment be set aside temporarily.

The PRESIDING OFFICER. Without objection, it is so ordered. The clerk will report.

The bill clerk read as follows:

The Senator from New Mexico [Mr. DOMENICI], for Mr. DOLE, for himself, Mr. HATCH, and Mr. HELMS, proposes an amendment numbered 4019.

Mr. DOMENICI. Mr. President, I ask unanimous consent that further reading of the amendment be dispensed with.

The PRESIDING OFFICER. Without objection, it is so ordered.

The amendment is as follows:

The Senate finds that:

Drugs use is devastating to the nation, particularly among juveniles, and has led juveniles to become involved in interstate gangs and to participate in violent crime;

Drug use has experienced a dramatic resurgence among our youth;

The number of youths aged 12-17 using marijuana has increased from 1.6 million in 1992 to 2.9 million in 1994, and the category of "recent marijuana use" increased a staggering 200% among 14 to 15-year-olds over the same period.

The Senate finds that:

Since 1992, there has been a 52% jump in the number of high school seniors using drugs on a monthly basis, even as worrisome declines are noted in peer disapproval of drug use;

1 in 3 high school students uses marijuana; 12 to 17-year-olds who use marijuana are 85% more likely to graduate to cocaine than those who abstain from marijuana;

Juveniles who reach 21 without ever having used drugs almost never try them later in life;

The latest results from the Drug Abuse Warning Network show that marijuana-related episodes jumped 39% and are running at 155% above the 1990 level, and that methamphetamine cases have risen 256% over the 1991 level;

Between February 1993 and February 1995 the retail price of a gram of cocaine fell from \$172 to \$137, and that of a gram of heroin also fell from \$2,032 to \$1,278;

It has been reported that the Department of Justice, through the United States Attorney for the Southern District of California, has adopted a policy of allowing certain foreign drug smugglers to avoid prosecution altogether by being released to Mexico;

It has been reported that in the past year approximately 2,300 suspected narcotics traffickers were taken into custody for bringing illegal drugs across the border, but approximately one in four were returned to their country of origin without being prosecuted;

It has been reported that the U.S. Customs Service is operating under guidelines limiting any prosecution in marijuana cases to cases involving 125 pounds of marijuana or more;

It has been reported that suspects possessing as much as 32 pounds of methamphetamine and 37,000 Quaalude tablets, were not prosecuted but were, instead, allowed to return to their countries of origin after their drugs and vehicles were confiscated;

It has been reported that after a seizure of 158 pounds of cocaine, one defendant was cited and released because there was no room at the federal jail and charges against her were dropped;

It has been reported that some smugglers have been caught two or more times—even in the same week—yet still were not prosecuted;

The number of defendants prosecuted for violations of the federal drug laws has dropped from 25,033 in 1992 to 22,926 in 1995;

The efforts of law enforcement officers deployed against drug smugglers are severely undermined by insufficiently vigorous prosecution policies of federal prosecutors;

This Congress has increased the funding of the Federal Bureau of Prisons by 11.7% over the 1995 appropriations level;

This Congress has increased the funding of the Immigration and Naturalization Service by 23.5% over the 1995 appropriations level;

It is the Sense of the Senate that the functional totals underlying this resolution assume that the Attorney General promptly
