

Bob served his country in the U.S. Marine Corps for 4 years, including a year of service in Vietnam.

During his career, he taught shop and drafting classes for 17½ years and spent the last 10 years teaching American Government and history. He was a class sponsor for 3 years. Bob served as president of the Morley Stanwood Education Association for 16 years and helped negotiate teacher contracts for 22 years.

Bob's accomplishments in high school coaching are quite extensive. He coached the golf team for 12 years and the tennis team for 11 years. He coached junior varsity girls basketball for 12 years and his 1987-88 team had a perfect record of 20 wins and no losses. He coached the boys ninth grade basketball team for 7 years, and the boys eighth grade and boys varsity basketball teams 1 year each. Bob also coached junior varsity softball for six seasons and varsity softball for eight seasons. His softball team won their district tournament in 1993. Combined, that means Bob was at the helm of a school sports team for 50 seasons. Bob is a member of the Michigan Sports Sages, an elite club of people who have been active in school sports their entire careers.

It is work such as Bob's that inspires us all to achieve the best we can, and to promote these qualities in others. Mr. Speaker, I know you will join my colleagues and I in honoring the work of Mr. Robert Bulow and the legacy of service and commitment he has left for us all.

RETIREMENT OF DR. JOHN N.  
ARRINGTON

HON. BOB FILNER  
OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES  
*Thursday, June 6, 1996*

Mr. FILNER. Mr. Speaker, I rise today to honor a great friend and community leader from California's 50th Congressional District. Dr. John Arrington has dedicated his life to improving the educational and social well-being of children throughout the San Diego Unified School District. With his retirement on June 10, we will lose his presence on school campuses throughout San Diego, but not his continuing leadership in the community.

Those of us in the educational community are well aware of the commitment to educational excellence that John has shown throughout his distinguished career. He has also been an active participant in helping to improve living conditions in his community, notably as a leader and officer of the Southeast Kiwanis Club.

John began his educational training by earning his bachelor of science degree from Tuskegee University in 1963. He received his master's degree in school administration from San Diego State University in 1974, and his Ph.D. in school administration from U.S. International University in 1977. He also received training from the Howard University School of Law in 1967, and he earned a counseling credential from San Diego State University in 1972.

John has distinguished himself as a teacher, counselor, and administrator for nearly 30 years, serving as district administrator, vice-principal, and principal in the San Diego Unified School District.

Nationally recognized for his work, John has been honored by the Administrators Association, Omega Psi Phi Fraternity, Kiwanis International, the Association of California School Administrators, and the Parent Advisory Task Force.

As he retires from a sterling career in education that was marked by vision, creativity, and strong leadership, I joined his family and friends in congratulating him on nearly 30 years as an inspiration to us all.

MEMORIES OF A CONGRESSIONAL  
PAGE

HON. GERALD D. KLECZKA

OF WISCONSIN

IN THE HOUSE OF REPRESENTATIVES  
*Thursday, June 6, 1996*

Mr. KLECZKA. Mr. Speaker, Mr. Albert Anness of Waukesha, WI, served as a congressional page in the House of Representatives during the first session of the 81st Congress. His experience as a page was the beginning of a lifetime of political involvement and activism.

Recently, Mr. Anness wrote a particularly touching vignette about a unique and special moment during his service as a page. Below is his story, which I think we will all find very interesting.

CHANCE MEETING

(By Albert R. Anness, House Democratic Page, Spring 1949)

In the story I am about to tell, I was alone. The only footsteps were mine; no human voice was within earshot. Solitude was my only companion.

It was past mid-afternoon as I passed through the Rotunda of the Capitol and neared the House of Representatives. The statue of Will Rogers stood gazing down upon the House Chambers. The large doors by which President Truman had recently entered to deliver his State of the Union message were now closed. The House Chambers were quiet and dark.

I don't remember why I was in the Capitol Building that afternoon. The House stood in adjournment and besides being assigned to the Ways and Means Committee, I had no floor duties. I was probably running some long forgotten errand.

Turning left, I began walking down the corridor toward the Democratic cloakroom door. I was heading for the underground passage returning to the New House Office Building.

Walking down the corridor I recall the sunlight streaming thru, the large window was beginning to lose its brilliance as evening began its resolute march to darkness.

As I neared the cloakroom entrance, my solitude was broken by the arrival upon the scene of the only other participant in my story, Congressman Joseph W. Martin of Massachusetts. The Democratic cloakroom door opened and out he stepped. This was a little surprising, because, at the time, he was the Republican Minority Leader.

In a corridor usually bustling with activity, Congressman Martin and I were totally alone. He was a friendly man of medium height with jet black hair that belied his age in the mid-sixties. Congressman Martin was also the last Republican Speaker of the United States House of Representatives until Newt Gingrich, forty-six years later in 1995.

We barely had said hello, when he stumbled and began falling down the cloakroom stairs. If I had not been passing at that pre-

cise moment, he would have had a very nasty fall on the marble floor. As it happened, he fell harmlessly into my arms escaping injury. Congressman Martin thanked me and went on his way. This happened more than forty-six years ago, but it will forever remain indelibly in my memory.

RECOGNITION OF SEYI FAYANJU'S  
VICTORY IN THE NATIONAL GEOGRAPHY BEE

HON. WILLIAM J. MARTINI

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

*Thursday, June 6, 1996*

Mr. MARTINI. Mr. Speaker, I rise today to commend a very worldly young man. One of my constituents, Seyi Fayanju of Verona, recently won the National Geography Bee.

Since the age of 4, Seyi has been attracted to geography. His knowledge of our world spans the globe, from the new republics in the East to the obscure islands of the Pacific and the Atlantic. This remarkable youth has not only accumulated a broad wealth of geographical facts, but he continues to expand his awareness with a zeal that is truly admirable.

Seyi has been recognized by his teachers at the Henry B. Whitehorne Middle School as one of the most gifted and well-rounded pupils they have ever taught. His talent for geography comes naturally. He continually impresses his teachers and peers with his ability to rattle off the capitals of far off places and identify the most remote mountain ranges and bodies of water.

This intense level of geographical understanding enabled Seyi to succeed at the State level and then go on to represent New Jersey in the national competition. The questions for the geography bee were prepared by the National Geographic Society. Seyi received a rare and perfect score in the finals to become the winner of the national contest.

Mr. Speaker, the National Geographic Society began this competition back in 1989 in response to the public's frustration with the lack of geographical knowledge of our youth. Seyi Fayanju has answered the challenge of the public and we are proud of his achievements. I commend this exceptional student on his academic feat and hope that his accomplishment will spark the desire of other students, nation-wide, to take interest in the unique and wondrous places our great world has to offer.
