Committee on Rules: Granted, by voice vote, an open rule providing 1 hour of debate on H.R. 3610, making appropriations for the Department of Defense for the fiscal year ending September 30, 1997. The rule waives all points of order against consideration of the bill for failure to comply with clause 2(I)(6) of rule XI (the 3-day requirement for availability of the report), clause 7 of rule XXI (the 3-day requirement for availability of printed hearings and reports on appropriations bills) or section 302(c) of the Congressional Budget Act of 1974 (prohibiting consideration

of legislation containing new budget or spending authority within the jurisdiction of a committee until that committee makes allocations in connection with the most recent budget resolution).

The rule waives points of order against provisions in the bill which do not comply with clause 2 of rule XXI (prohibiting unauthorized appropriations and legislation on general appropriations bills) and clause 6 of rule XXI (prohibiting transfers of unobligated balances). The amendment shall be debatable for 20 minutes divided equally between the proponent and an opponent, shall not be subject to amendment and shall not be subject to a demand for a division of the question. The rule provides that if the amendment is adopted, the bill, as amended, shall be considered as the original bill for purposes of further amendment.

The rule provides that after the disposition of such amendment, the appropriate allocation of new discretionary budget authority within the meaning of section 302(f)(1) of the Congressional Budget Act of 1974 shall be \$245,065,000,000. The corresponding level of budget outlays shall be \$243,372,000,000.

The rule further provides that a motion to rise and report the bill to the House with such amendments as may have been adopted shall have precedence over a motion to amend, if offered by the Majority Leader or a designee after the reading of the final lines of the bill.
