

"Resolved, That we urge the President and the Congress of the United States to place a moratorium on the donation of blood, blood products and organs by veterans of the Gulf War until a determination regarding the communicability of these illnesses has been made; and be it further

"Resolved, That the Secretary of State be directed to send enrolled copies of this resolution to the President and Vice President of the United States, to the Speaker of the United States House of Representatives, to each member of the Kansas Congressional Delegation, to the Administrator of Veterans Affairs, to the Secretary of Defense and to the Secretary of Health and Human Services (Center for Disease Control)."

POM-610. A concurrent resolution adopted by the Legislative of the State of Oklahoma; to the Committee on Veterans' Affairs.

"SENATE CONCURRENT RESOLUTION NO. 57

"Whereas, Oklahoma's atomic veterans showed steadfast dedication and undisputed loyalty to their country and made intolerable sacrifices in service to their country; and

"Whereas, these atomic veterans gave their all during the terribly hot atomic age to keep our country strong and free; and

"Whereas, these atomic veterans were unknowingly placed in the line of fire, after being assured that they faced no harm, and were subjected to an ungodly bombardment of ionizing radiation; and

"Whereas, the radiation to which they were exposed is now and will continue eating away at their bodies every second of every day for the rest of their lives with no hope of cessation or cure; and

"Whereas, because their wounds were not of the conventional type and were not caused by the enemy but by the United States Government, the atomic veterans did not receive service-connected medical and disability benefits and did not receive a medal such as the Purple Heart; and

"Whereas, many atomic veterans have already died and others will die a horrible and painful death; now therefore, be it

*Resolved by the Senate of the 2nd session of the 45th Oklahoma Legislature, the House of Representatives concurring therein:*

"That atomic veterans be recognized by the federal government.

"That the United States Senators and Representatives from Oklahoma propose or support legislation granting service-connected medical and disability benefits to all atomic veterans who were exposed to ionizing radiation and propose or support legislation issuing a medal to atomic veterans to express the gratitude of the people and government of the United States for the dedication and sacrifices of these veterans.

"That copies of this resolution be distributed to the President of the United States, the Vice President of the United States, the Secretary of the United States Senate, the Clerk of the United States House of Representatives, the Secretary of Defense, the Secretary of Veterans Affairs, the Chairs of the United States House and Senate Veterans Affairs Committees, and each member of the Oklahoma Congressional Delegation.

"Adopted by the Senate the 21st day of May, 1996."

THE PROSTHETIC LIMB ACCESS ACT OF 1996

Mr. INHOFE. Mr. President, a few years ago I became exposed to a problem that exists in the lives of thousands of Americans. It happened when one of my closet friends in Oklahoma, Buddy Martin; lost both of his legs.

He was one of the fortunate ones who had the resources to purchase artificial limbs, and is able to live today a much more normal life than one could imagine.

It is because of this exposure that I rise today to introduce a bill to provide relief to thousands of Americans. Everyday far too many Americans are unable to live full and productive lives like Buddy Martin because they cannot afford adequate prosthetic care. There are over 250,000 Americans who cannot afford adequate prosthetic care. While the government provides assistance through Medicare and other programs they can not meet all of the needs, and they don't have to. The private sector
