

His commitment to excellence and dedication to service clearly extend past the realm of his professional commitments. His involvement is admirable.

The retirement celebration honoring Mr. Braswell's many years of service will take place on the twenty fourth of June. Mr. Speaker, please join me in thanking Mr. Braswell for 33 years of service and devotion to the Prudential.

TRIBUTE TO STELLA PODBELSKI  
KUKULSKI

HON. FRANK PALLONE, JR.

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Wednesday, June 19, 1996

Mr. PALLONE. Mr. Speaker, I rise to pay tribute to Stella Podbelski Kukulski of Sayreville, NJ, a valued and cherished member of our community who recently passed away.

Stella Kukulski lived her entire life in Sayreville. She served with distinction as a valued employee for Sunshine Biscuit in Sayreville for 17 years before her retirement in 1981 and as a supervisor for the Marion Dress Company in South River, NJ, where she worked for 40 years. For her involvement in community service, Stella Kukulski was well respected and admired. She served as a member of the Sayreville Saint Stans Seniors Club, the Sayreville Senior Citizens Thursday Club, and as a charter member of the Union of Polish Women Group 81. Her deep faith and generosity was consistently demonstrated as a communicant of Our Lady of Victories Roman Catholic Church in Sayreville, and as member of its Rosary Society.

As a testimony to the high esteem in which Stella Kukulski was held, the New Jersey General Assembly enacted a resolution, introduced by Assemblyman John Wisniewski who represents Sayreville in the State legislature, paying tribute to the memory of Stella Kukulski and extending profound sympathy and sincere condolences to her family.

Mr. Speaker, I am honored to join in paying tribute to Stella Kukulski, an exceptional person who will be deeply missed by all those who knew her.

TRIBUTE TO RALPH MILTEER

HON. DONALD M. PAYNE

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Wednesday, June 19, 1996

Mr. PAYNE of New Jersey. Mr. Speaker, this evening a retirement dinner is being held in honor of Ralph Milteer. Mr. Milteer is "a man for all seasons." He has spent all of his adult life helping others. When I think of achievers, Ralph is always on my list. His achievements have benefited him personally but more importantly, they have benefited many, many New Jerseyans.

Ralph Milteer is a product of the East Orange, NJ, school system where he attended elementary and high schools. After graduation from Montclair State College Ralph returned to the system as a teacher. For 36 years, he has been affiliated with the same school system in

many different capacities. He has been a classroom teacher, a counselor, a coordinator, a director, an administrative assistant, and an assistant principal during his career.

Ralph believes in being prepared and has spent a great deal of his life attending school. He has done a great deal of graduate work and received his Master's degree from Newark State College Graduate School. Coursework at the NASA Center is also a part of his résumé. Ralph has used his experience in the classroom in a great deal of his community work where he has been active in many recreation programs.

Ralph's love of the communities he serves is evident in his work in East Orange and in his hometown of Hillside, NJ. He has been active in the Citizens' Advisory Committee of the Hillside Board of Education, a member of the Hillside Board of Education, and president of the Hillside Democratic Club. Realizing that he could serve his community better from an elected position, Ralph was elected to the Hillside Township Committee where he has served as the Finance Commissioner, the deputy major and major of Hillside for two terms.

Mr. Speaker, I am sure my colleagues will want to join me as I offer my congratulations to Ralph Milteer and extend my best wishes to him and his family for a happy, active and healthy future.

STOP SUBSIDIZING CHINA'S  
MILITARY FORCES

HON. BENJAMIN A. GILMAN

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Thursday, June 20, 1996

Mr. GILMAN. Mr. Speaker, today I have introduced H.R. 3684, which prohibits the importation into the United States of civilian and military goods produced, manufactured, or exported by the People's Liberation Army [PLA] or any Chinese defense industrial trading company. I strongly urge my colleagues support of this initiative which will deprive the PLA and its subsidiaries of the hard currency that supports activities which are inimical to U.S. economic and national security interests.

Two Chinese Government defense firms have been implicated in the largest assault weapons smuggling operation in United States history. Some of the heads of these firms, which sought to smuggle over 2,000 AK-47 semi-automatic weapons into the United States, are relatives of China's top leadership.

Moreover, the PLA and the defense industrial trading organization are responsible for a series of events which are a threat to vital United States interests, including; the recent belligerent gestures toward Taiwan during the first democratic elections in Chinese history; the transfer of cruise missiles to Iran, M-11 missiles and nuclear technology to Pakistan and the purchase by China of SS-18 strategic missile technology and equipment from Russia; the violation of United States-Chinese textile agreements and intellectual property rights [IPR]; and the flagrant human rights violations in the form of the occupation of Tibet, the maintenance of political prisoner camps known as Laogai and the repression of the religious freedom of Chinese Christians. Finally, let us not forget the repression wrought by the PLA

on the democratic protesters in Tainamen Square.

Accordingly, enactment of this bill will curb the activities of the PLA which threaten our economic and national security and are an affront to our form of government and free society. Accordingly, I urge my colleagues to co-sponsor and support H.R. 3684 and ask that the full text of H.R. 3684 be printed at this point in the RECORD.

H.R. 3684

*Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,*

**SECTION 1. CONGRESSIONAL FINDINGS AND DECLARATION OF POLICY**

(a) FINDINGS.—The Congress makes the following findings:

(1) According to the Defense Intelligence Agency, the People's Liberation Army of China owns and operates a number of enterprises which produce both civilian and military products.

(2) The General Staff Department of the People's Liberation Army owns and operates Polytechnologies, which is the weapons trading arm of the People's Liberation Army and has a representative office in the United States.

(3) The General Logistics Department of the People's Liberation Army owns and operates a large international conglomerate known as Xinxing Corporation, which also has a representative office in the United States.

(4) The People's Armed Police, which is partially controlled by the People's Liberation Army, is responsible for the occupation and suppression of dissent in Tibet and the execution of prisoners throughout China, and provides guards for the forced labor camp system in Laogai, China, owns and operates China Jingan Equipment Import and Export, which also has a representative office in the United States.

(5) These and other enterprises owned by the People's Liberation Army regularly export a great variety of products to the United States, including, but not limited to, clothing, toys, shoes, hand tools, fish, minerals, and chemicals.

(6) The export of products allows the People's Liberation Army to earn hard currency directly, which in turn can be used to modernize its forces.

(7) The average consumer in the United States is unaware that products they are purchasing were produced by the People's Liberation Army.

(8) Trade with the People's Liberation Army effectively is a subsidy of military operations of the People's Republic of China.

(9) The China National Nuclear Corporation exported illicit nuclear technology to Pakistan in contravention of the Treaty on the Non-Proliferation of Nuclear Weapons and the Arms Export Control Act, thereby contributing to the threat of nuclear war on the Indian Subcontinent.

(10) Naval units of the People's Liberation Army have committed aggression against the Republic of the Philippines and threatened the United States Navy's right of free passage in the South China Sea.

(11) Chinese defense industrial trading companies have transferred cruise missiles to Iran, thereby threatening the safety of United States military personnel in the region.

(12) Representatives of China North Industries Corporation, a Chinese Government organization, have been indicted by the U.S. federal government for smuggling of firearms and conspiracy related thereto, importation of firearms without a license, importation and sale of firearms with obliterated
