The SPEAKER pro tempore. The Chair will entertain five 1-minutes on each side.

#### EVIDENCE OF CASTRO'S ROLE IN DRUG TRAFFICKING

(Mr. DIAZ-BALART asked and was given permission to address the House for 1 minute.)

Mr. DIAZ-BALART. Mr. Speaker, yesterday's Miami Herald revealed vast new evidence of Cuban dictator Castro's personal involvement in cocaine trafficking into the United States. Drug dealers busted with thousands of pounds of cocaine from Cuba not only say the cocaine was brought into the United States with Castro's coordination, there are photos of Castro with the traffickers and video of Castro-assisted drug operations.

Mr. Speaker, our DEA and Customs people on the front line are doing an admirable job, but until when is the Clinton administration going to cover up the fact that Castro is today a major cocaine trafficker?

□ 0930

Where are the indictments against Castro's henchmen for trafficking that the U.S. Attorney in south Florida has had ready for issuance for 3 years? I know this administration would like the drug problem to just go away, but the cover-up on Castro's role in drug trafficking will not hold any longer.

President Clinton must face up to this issue of grave consequences to the American people.

The more things change, the more they stay the same. We could shrug our shoulders and give up or we could put our shoulders to the wheel and work on the only viable option left for this Congress, a comprehensive commission on campaign finance reform.

I have introduced a bipartisan bill to do just that. It is modeled after Congressman ARMEY'S Military Base Closing Commission. The Commission
