

longer hours for even less money. If America's workers had 3 hours less work time, what would we see? I believe we would see more families together. I think we would see more fathers and mothers with quality time with their children. We would see an enhancement in the quality of life for our working men and women, our working fathers and mothers. I think if our colleagues truly supported family time, they would support this amendment.

Mr. Chairman, I ask unanimous consent to withdraw my amendment.

The CHAIRMAN. Is there objection to the request of gentlewoman from Georgia?

There was no objection.

The CHAIRMAN. Are there further amendments? The question is on the committee amendment in the nature of a substitute, as amended.

The committee amendment in the nature of a substitute, as amended, was agreed to.

The CHAIRMAN. Under the rule, the Committee rises.

Accordingly the Committee rose; and the Speaker pro tempore [Mr. WELLER] having assumed the chair, Mr. LAHOOD, Chairman of the Committee of the Whole House on the State of the Union, reported that the Committee, having had under consideration the bill (H.R. 2391) to amend the Fair Labor Standards Act of 1938 to provide compensatory time for all employees, pursuant to House Resolution 488, he reported the bill back to the House with an amendment adopted by the Committee of the Whole.

The SPEAKER pro tempore. Under the rule, the previous question is ordered.

Is a separate vote demanded on the amendment to the Committee amendment in the nature of a substitute adopted by the Committee of the Whole? If not, the question is on the Committee amendment in the nature of a substitute.

The committee amendment in the nature of a substitute was agreed to.

The SPEAKER pro tempore. The question is on the engrossment and third reading of the bill.

The bill was ordered to be engrossed and read a third time, and was read a third time.

The SPEAKER pro tempore. The question is on the passage of the bill.

The question was taken; and the Speaker pro tempore announced that the ayes appeared to have it.

Mr. CLAY. Mr. Speaker, I object to the vote on the ground that a quorum is not present and make the point of order that a quorum is not present.

The SPEAKER pro tempore. Evidently a quorum is not present.

The Sergeant at Arms will notify absent Members.

The vote was taken by electronic device, and there were—yeas 225, nays 195, not voting 14, as follows:
