

Whereas these nuns broke a 50-year-long vow of silence at the suggestion of the Bishop of Munich to expose Dr. Sewering and share their accounts of the patients;

Whereas these being elected president-elect of the World Medical Association in 1993, protest by the American Medical Association about his alleged crimes led Dr. Sewering to resign as president-elect;

Whereas the German Government has never conducted a criminal inquiry or indicted Dr. Sewering;

Whereas the German Government has all of the patient records, including the signature of the doctor that ordered the transfers to the "Healing Center", in a government archival center, and these records have never been examined by government prosecutors; and

Whereas the German Government has so far protected this criminal: Now, therefore, be it

*Resolved by the Senate (the House of Representatives concurring),* That it is the sense of the Congress that the German Government should investigate and prosecute Dr. Hans Joachim Sewering for his war crimes of active euthanasia and crimes against humanity committed during World War II.

Mr. SANTORUM. Mr. President, I rise today to submit a concurrent resolution with my colleague Senator FEINSTEIN and to give a few remarks on the Holocaust. Mr. President, many Americans probably have the opinion that we have closed the door on the Holocaust. In fact, we have a museum here in Washington that stands as a reminder of this black mark in our history. Unfortunately, the very submission of this concurrent resolution tells us that this chapter has not yet been closed.

By way of background, my father-in-law, Dr. Ken and Betty Lee Garver, have done extensive research on the medical history of Nazi war time. In their continued work within the medical community, they have come in contact with Dr. Michael Franzblau from California. It is Dr. Franzblau who brought to our attention the background and history of a German doctor who was a member of the Nazi party and referred many of Germany's disabled and afflicted to "healing centers" or death camps during the 1940's.

Of the millions of victims of World War II, it is the faces of the children we remember most, like the face of Babette Frowis. Babette Frowis was a 14-year-old child who suffered from epilepsy. She was sent to the Schoenbrunn Sanitarium in 1943 when Adolf Hitler began "cleansing" the German race. The Medical Director of the Sanitarium, Dr. Hans Joachim Sewering, then transferred her to the Healing Center at Eglfing-Haar on October 26, 1943. Twenty-one days later, on November 16, 1943, she was pronounced dead.

Babette Frowis was not the only one. It is estimated that between 1942 and 1945, 909 patients, the overwhelming majority of whom were children, were transferred to the "Healing Center" for extermination, under Dr. Sewering's command. At Eglfing-Haar, the children were subjected to a mixture of starvation and an overdose of a sleeping drug, Luminal. Authorities at the

center saw this method as a low cost way of disposing of disabled children.

Dr. Sewering was a member of the Nazi party, as well as the Medical Director of the Sanitarium. When the war ended, Dr. Sewering went on to enjoy a full and rewarding medical career in Bavaria. In 1993 he became the president-elect of the World Medical Association, but after protest he resigned. Shortly after this, the Department of Justice placed Dr. Sewering on the "watch list" thereby preventing his entry into the United States. Dr. Sewering, at the age of 78, still practices medicine in Bavaria.

I have been in contact with the German Ambassador on this matter requesting an explanation and information on behalf of the German Government as to why Dr. Sewering has not been investigated and why the documents regarding the transfer of patients have not been made public. This concurrent resolution expresses the Sense of Congress that the German Government should investigate and prosecute Dr. Sewering for his war crimes of active euthanasia and crimes against humanity committed during World War II.

I appreciate the interest and joint sponsorship of Senator FEINSTEIN, and look forward to working with her as we continue to draw the attention of Congress to this situation and ultimately action by the German Government.

#### SENATE RESOLUTION 287—TO AUTHORIZE THE PRODUCTION OF RECORDS BY THE PERMANENT SUBCOMMITTEE ON INVESTIGATIONS

Mr. LOTT (for himself and Mr. DASCHLE) submitted the following reso-

lution; which was considered and agreed to:

S. RES. 287

Whereas, the Office of the Attorney General of the State of New Jersey has requested that the Permanent Subcommittee on Investigations provide it with copies of Subcommittee records in connection with a licensing investigation that the Office is currently conducting;

Whereas, by the privileges of the Senate of the United States and Rule XI of the Standing Rules of the Senate, no evidence under the control or in the possession of the Senate can, by administrative or judicial process, be taken from such control or possession but by permission of the Senate;

Whereas, when it appears that documents, papers, and records under the control or in the possession of the Senate may promote the administration of justice, the Senate will take such action as will promote the ends of justice consistently with the privileges of the Senate: Now, therefore, be it

*Resolved,* That the Chairman and Ranking Minority Member of the Permanent Subcommittee on Investigations, acting jointly, are authorized to provide to the Office of the Attorney General of the State of New Jersey copies of Subcommittee records that the Office has requested for use in connection with its pending licensing investigation.

Mr. LOTT. Mr. President, the Permanent Subcommittee on Investigations has received a request from the New Jersey Attorney General's Office for copies of subcommittee records relevant to a background investigation that the Office is conducting in connection with a solid waste disposal company's licensing application.

In the course of drug enforcement hearings in the mid-1970s, the subcommittee investigated allegations relating to an individual who was then a federal drug enforcement official and is now a principal in the solid waste firm seeking licensure from the State of New Jersey. The Attorney General's Office is seeking access to subcommittee records to enable the Office to fulfill its responsibilities under state law to conduct a thorough background investigation of this individual.

Mr. President, this resolution would authorize the chairman and ranking minority member of the Permanent Subcommittee on Investigations, acting jointly, to provide subcommittee records in response to this request.
