RULES OF THE COMMITTEE ON  
THE BUDGET, 105TH CONGRESS

● Mr. DOMENICI. Mr. President, in accordance with rule XXVI paragraph 2 of the Standing Rules of the Senate I hereby submit for printing in the CONGRESSIONAL RECORD, the rules governing the procedures for the Committee on the Budget for the 105th Congress which were adopted by the committee earlier this week. The only change from the rules of the committee for the 104th Congress is the addition of a new rule which adopts the Senate's rule regarding the use of charts in the Senate Chamber.

The rules follow:

RULES OF THE COMMITTEE ON THE BUDGET,  
105TH CONGRESS

I. MEETINGS

(1) The committee shall hold its regular meeting on the first Thursday of each month. Additional meetings may be called by the chair as the chair deems necessary to expedite committee business.

(2) Each meeting of the Committee on the Budget of the Senate, including meetings to conduct hearings, shall be open to the public, except that a portion or portions of any such meeting may be closed to the public if the committee determines by record vote in open session of a majority of the members of the committee present that the matters to be discussed or the testimony to be taken at such portion or portions—

(a) will disclose matters necessary to be kept secret in the interests of national defense or the confidential conduct of the foreign relations of the United States;

(b) will relate solely to matters of the committee staff personnel or internal staff management or procedure;

(c) will tend to charge an individual with crime or misconduct, to disgrace or injure the professional standing of an individual, or otherwise to expose an individual to public contempt or obloquy, or will represent a clearly unwarranted invasion of the privacy of an individual;

(d) will disclose the identity of any informer or law enforcement agent or will disclose any information relating to the investigation or prosecution of a criminal offense that is required to be kept secret in the interest of effective law enforcement; or

(e) will disclose information relating to the trade secrets or financial or commercial information pertaining specifically to a given person if—

(i) an act of Congress requires the information to be kept confidential by Government officers and employees; or

(ii) the information has been obtained by the Government on a confidential basis, other than through an application by such person for a specific Government financial or other benefit, and is required to be kept secret in order to prevent undue injury to the competitive position of such person.

(f) may divulge matters required to be kept confidential under other provisions of law or Government regulations.

II. QUORUMS AND VOTING

(1) Except as provided in paragraphs (2) and (3) of this section, a quorum for the transaction of committee business shall consist of not less than one-third of the membership of the entire committee; Provided, that proxies shall not be counted in making a quorum.

(2) A majority of the committee shall constitute a quorum for reporting budget resolutions, legislative measures or recommendations; Provided, that proxies shall not be counted in making a quorum.

(3) For the purpose of taking sworn or unsworn testimony, a quorum of the committee shall consist of our Senator.

(4)(a) The Committee may poll—

(i) internal Committee matters including those concerning the Committee's staff, records, and budget;

(ii) steps in an investigation, including issuance of subpoenas, applications for immunity orders, and requests for documents from agencies; and

(iii) other Committee business that the Committee has designated for polling at a meeting, except that the Committee may not vote by poll or reporting to the Senate any measure, matter, or recommendation, and may not vote by poll on closing a meeting or hearing to the public.

(b) To conduct a poll, the Chair shall circulate polling sheets to each Member speci-

fying the matter being polled and the time limit for completion of the poll. If any Member requests, the matter shall be held for a meeting rather than being polled. The chief clerk shall keep a record of polls; if the committee determines by record vote in open session of a majority of the members of the committee present that the polled matter is one of those enumerated in rule I(2)(a)-(e), then the record of the poll shall be confidential. Any Member may move at the Committee meeting following a poll for a vote on the polled decision.

III. PROXIES

When a record vote is taken in the committee on any bill, resolution, amendment, or any other question, a quorum being present, a Member who is unable to attend the meeting may vote by proxy if the absent Member has been informed of the matter on which the vote is being recorded and has affirmatively requested to be so recorded; except that no Member may vote by proxy during the deliberations on Budget Resolutions.

IV. HEARINGS AND HEARING PROCEDURES

(1) The committee shall make public announcement of the date, place, time, and subject matter of any hearing to be conducted on any measure or matter at least 1 week in advance of such hearing, unless the chair and ranking minority member determine that there is good cause to begin such hearing at an earlier date.

(2) A witness appearing before the committee shall file a written statement of proposed testimony at least 1 day prior to appearance, unless the requirement is waived by the chair and the ranking minority member, following their determination that there is good cause for the failure of compliance.

V. COMMITTEE REPORTS

(1) When the committee has ordered a measure or recommendation reported, following final action, the report thereon shall be filed in the Senate at the earliest practicable time.

(2) A member of the committee who gives notice of an intention to file supplemental, minority, or additional views at the time of final committee approval of a measure or matter, shall be entitled to not less than 3 calendar days in which to file such views, in writing, with the chief clerk of the committee. Such views shall then be included in the committee report and printed in the same volume, as a part thereof, and their inclusions shall be noted on the cover of the report. In the absence of timely notice, the committee report may be filed and printed immediately without such views.
