

(2) No witness served with a subpoena by the committee shall be required against his or her will to be photographed at any hearing or to give evidence or testimony while the broadcasting of that hearing, by radio or television, is being conducted. At the request of any such witness who does not wish to be subjected to radio, television, or still photography coverage, all lenses shall be covered and all microphones used for coverage turned off. This subparagraph is supplementary to clause 2(k)(5) of this rule, relating to the protection of the rights of witnesses.

(3) The allocation among the television media of the positions of the number of television cameras permitted by a committee or subcommittee chairman in a hearing or meeting room shall be in accordance with fair and equitable procedures devised by the Executive Committee of the Radio and Television Correspondents' Galleries.

(4) Television cameras shall be placed so as not to obstruct in any way the space between any witness giving evidence or testimony and any member of the committee or the visibility of that witness and that member to each other.

(5) Television cameras shall operate from fixed positions but shall not be placed in positions which obstruct unnecessarily the coverage of the hearing or meeting by the other media.

(6) Equipment necessary for coverage by the television and radio media shall not be installed in, or removed from, the hearing or meeting room while the committee is in session.

(7) Floodlights, spotlights, strobelights, and flashguns shall not be used in providing any method of coverage of the hearing or meeting, except that the television media may install additional lighting in the hearing or meeting room, without cost to the Government, in order to raise the ambient lighting level in the hearing or meeting room to the lowest level necessary to provide adequate television coverage of the hearing or meeting at the then current state of the art of television coverage.

(8) In the allocation of the number of still photographers permitted by a committee or subcommittee chairman in a hearing or meeting room, preference shall be given to photographers from Associated Press Photos and United Press International News-pictures. If requests are made by more of the media than will be permitted by a committee or subcommittee chairman for coverage of the hearing or meeting by still photography, that coverage shall be made on the basis of a fair and equitable pool arrangement devised by the Standing Committee of Press Photographers.

(9) Photographers shall not position themselves, at any time during the course of the hearing or meeting, between the witness table and the members of the committee.

(10) Photographers shall not place themselves in positions which obstruct unnecessarily the coverage of the hearing by the other media.

(11) Personnel providing coverage by the television and radio media shall be then currently accredited to the Radio and Television Correspondents' Galleries.

(12) Personnel providing coverage by still photography shall be then currently accredited to the Press Photographers' Gallery.

(13) Personnel providing coverage by the television and radio media and by still photography shall conduct themselves and their coverage activities in an orderly and unobtrusive manner.

RULES OF PROCEDURE FOR THE COMMITTEE ON VETERANS' AFFAIRS, 105TH CONGRESS

The SPEAKER pro tempore. Under a previous order of the House, the gentleman from Arizona [Mr. STUMP] is recognized for 5 minutes.

Mr. STUMP. Mr. Speaker, pursuant to the requirement of clause 2(a) of rule XI of the Rules of the House of Representatives, I submit herewith the rules of the Committee on Veterans' Affairs for the 105th Congress and ask that they be printed in the RECORD at this point. These rules were adopted by the committee on February 5, 1997.

COMMITTEE RULES OF PROCEDURE OF THE 105TH CONGRESS

(Adopted February 5, 1997)

RULE 1—APPLICABILITY OF HOUSE RULES

The Rules of the House are the rules of the Committee on Veterans' Affairs and its subcommittees so far as applicable, except that a motion to recess from day to day is a motion of high privilege in Committees and subcommittees. Each subcommittee of the Committee is a part of the Committee and is subject to the authority and direction of the Committee and to its rules so far as applicable.

RULE 2—COMMITTEE MEETINGS AND HEARINGS REGULAR AND ADDITIONAL MEETINGS

(a)(1) The regular meeting day for the Committee shall be at 10 a.m. on the second Tuesday of each month in such place as the Chairman may designate. However, the Chairman may dispense with a regular Tuesday meeting of the Committee.

(2)(A) The Chairman of the Committee may call and convene, as he considers necessary, additional meetings of the Committee for the consideration of any bill or resolution pending before the Committee or for the conduct of other Committee business. The Committee shall meet for such purpose pursuant to that call of the Chairman.

(B) The Chairman shall notify each member of the Committee of the agenda of each additional regular meeting of the Committee at least 24 hours before the time of the meeting, except under circumstances the Chairman determines to be of an emergency nature. Under such circumstances, the Chairman shall make an effort to consult the ranking minority member, or in such member's absence, the next ranking minority party member of the Committee.

PUBLIC ANNOUNCEMENT

(b)(1) The Chairman, in the case of a hearing to be conducted by the Committee, and the subcommittee Chairman, in the case of a hearing to be conducted by a subcommittee, shall make public announcement of the date, place, and subject matter of any hearing to be conducted on any measure or matter at least one week before the commencement of that hearing unless the Committee or the subcommittee determines that there is good cause to begin the hearing at an earlier date. In the latter event, the Chairman or the subcommittee Chairman, as the case may be, shall obtain the concurrence of the ranking minority member and make such public announcement at the earliest possible date. The clerk of the Committee shall promptly notify the Daily Clerk of the Congressional Record and the Committee scheduling service of the House Information Systems as soon as possible after such public announcement is made.

(2) Meetings and hearings of the Committee and each of its subcommittees shall be open to the public unless closed in accordance with clause 2(g) of House rule XI.

QUORUM AND ROLLCALLS

(c)(1) A majority of the members of the Committee shall constitute a quorum for business and a majority of the members of any subcommittee shall constitute a quorum thereof for business, except that two members shall constitute a quorum for the purpose of taking testimony and receiving evidence.

(2) No measure or recommendation shall be reported to the House of Representatives unless a majority of the Committee was actually present.

(3) There shall be kept in writing a record of the proceedings of the Committee and each of its subcommittees, including a record of the votes on any question on which a rollcall is demanded. The result of each such rollcall vote shall be made available by the Committee for inspection by the public at reasonable times in the offices of the Committee. Information so available for public inspection shall include a description of the amendment, motion, order or other proposition and the name of each member voting for and each member voting against such amendment, motion, order, or proposition, and the names of those members present but not voting.

(4) A record vote may be demanded by one-fifth of the members present or, in the apparent absence of a quorum, by any one member. With respect to any rollcall vote on any motion to amend or report, the total number of votes cast for and against, and the names of those members voting for and against, shall be included in the report of the Committee on the bill or resolution.

(5) No vote by any member of the Committee or a subcommittee with respect to any measure or matter may be cast by proxy.

CALLING AND INTERROGATING WITNESSES

(d)(1) Committee and subcommittee members may question witnesses only when they have been recognized by the Chairman of the Committee or subcommittee for that purpose, and only for a 5-minute period until all members present have had an opportunity to question a witness. The 5-minute period for questioning a witness by any one member may be extended only with the unanimous consent of all members present. The questioning of witnesses in both Committee and subcommittee hearings shall be initiated by the Chairman, followed by the ranking minority party member and all other members alternating between the majority and minority. In recognizing members to question witnesses in this fashion, the Chairman shall take into consideration the ratio of the majority to minority members present and shall establish the order of recognition for questioning in such a manner as not to disadvantage the members of the majority.

(2) Notwithstanding the provisions of paragraph (1) regarding the 5-minute rule, the Chairman after consultation with the ranking minority member may designate an equal number of members of the Committee or subcommittee majority and minority party to question a witness for a period not longer than 30 minutes. In no event shall the Chairman allow a member to question a witness for an extended period under this rule until all members present have had the opportunity to ask questions under the 5 minute rule. The Chairman after consultation with the ranking minority member may permit Committee staff for its majority and minority party members to question a witness for equal specified periods of time.

(3) So far as practicable: (A) each witness who is to appear before the Committee or a subcommittee shall file with the clerk of the Committee, at least 48 hours in advance of the appearance of the witness, a written statement of the testimony of the witness

and shall limit any oral presentation to a summary of the written statement; and (B) each witness appearing in a non-governmental capacity shall include with the written statement of proposed testimony a curriculum vitae and a disclosure of the amount and source (by agency and program) of any Federal grant (or subgrant thereof) or contract (or subcontract thereof) received during the current fiscal year or either of the two preceding fiscal years.

(4) When a hearing is conducted by the Committee or a subcommittee on any measure or matter, the minority party members on the Committee shall be entitled, upon request to the Chairman of a majority of those minority members before the completion of the hearing, to call witnesses selected by the minority to testify with respect to that measure or matter during at least one day of the hearing thereon.

MEDIA COVERAGE OF PROCEEDINGS

(e) Any meeting of the Committee or its subcommittees that is open to the public shall be open to coverage by radio, television, and still photography in accordance with the provisions of clause 3 of House rule XI.

SUBPOENAS

(f) Pursuant to clause 2(m) of House rule XI, a subpoena may be authorized and issued by the Committee or a subcommittee in the conduct of any investigation or series of investigations or activities, only when authorized by a majority of the members voting, a majority being present.

RULE 3—GENERAL OVERSIGHT RESPONSIBILITY

(a) In order to assist the House in:

(1) Its analysis, appraisal, evaluation of (A) the application, administration, execution, and effectiveness of the laws enacted by the Congress, or (B) conditions and circumstances which may indicate the necessity or desirability of enacting new or additional legislation, and

(2) its formulation, consideration and enactment of such modifications or changes in those laws, and of such additional legislation, as may be necessary or appropriate, the Committee and its various subcommittees, consistent with their jurisdiction as set forth in Rule 4, shall have oversight responsibilities as provided in subsection (b).

(b)(1) The Committee and its subcommittees shall review and study, on a continuing basis, the applications, administration, execution, and effectiveness of those laws, or parts of laws, the subject matter of which is within the jurisdiction of the Committee or subcommittee, and the organization and operation of the Federal agencies and entities having responsibilities in or for the administration and execution thereof, in order to determine whether such laws and the programs thereunder are being implemented and carried out in accordance with the intent of the Congress and whether such programs should be continued, curtailed, or eliminated.

(2) In addition, the Committee and its subcommittees shall review and study any conditions or circumstances which may indicate the necessity or desirability of enacting new or additional legislation within the jurisdiction of the Committee or subcommittee (whether or not any bill or resolution has been introduced with respect thereto), and shall on a continuing basis undertake future research and forecasting on matters within the jurisdiction of the Committee or subcommittee.

(3) Not later than February 15 of the first session of a Congress, the Committee shall meet in open session, with a quorum present, to adopt its oversight plans for that Congress for submission to the Committee on House Oversight and the Committee on Gov-

ernment Reform and Oversight, in accordance with the provisions of clause 2(d) of House rule X.

RULE 4—SUBCOMMITTEES

ESTABLISHMENT AND JURISDICTION OF SUBCOMMITTEES

(a)(1) There shall be three subcommittees of the Committee as follows:

(A) Subcommittee on Health, which shall have legislative, oversight and investigative jurisdiction over veterans' hospitals, medical care, and treatment of veterans.

(B) Subcommittee on Benefits, which shall have legislative, oversight and investigative jurisdiction over compensation, general and special pensions of all the wars of the United States, life insurance issued by the Government on account of service in the Armed Forces, cemeteries of the United States in which veterans of any war or conflict are or may be buried, whether in the United States or abroad, except cemeteries administered by the Secretary of the Interior, burial benefits, education of veterans, vocational rehabilitation, veterans' housing programs, readjustment of servicemen to civilian life, and soldiers' and sailors' civil relief.

(C) Subcommittee on Oversight and Investigations, which shall have authority over matters that are referred to the subcommittee by the Chairman of the full Committee for investigation and appropriate recommendations. *Provided, however,* That the operations of the Subcommittee on Oversight and Investigations shall in no way limit the responsibility of the other subcommittees on the Committee on Veterans' Affairs for carrying out their oversight duties. This subcommittee shall not have legislative jurisdiction and no bills or resolutions shall be referred to it.

In addition, each subcommittee shall have responsibility for such other measures or matters as the Chairman refers to it.

(2) Any vacancy in the membership of a subcommittee shall not affect the power of the remaining members to execute the functions of that subcommittee.

REFERRAL TO SUBCOMMITTEES

(b)(1) The Chairman of the Committee may refer a measure or matter, which is within the general responsibility of more than one of the subcommittees of the Committee, as the Chairman deems appropriate.

(2) In referring any measure or matter to a subcommittee, the Chairman of the Committee may specify a date by which the subcommittee shall report thereon to the Committee.

POWERS AND DUTIES

(c)(1) Each subcommittee is authorized to meet, hold hearings, receive evidence, and report to the full Committee on all matters referred to it or under its jurisdiction. Subcommittee chairmen shall set dates for hearings and meetings of their respective subcommittees after consultation with the Chairman of the Committee and other subcommittee chairmen with a view toward avoiding simultaneous scheduling of Committee and subcommittee meetings or hearings whenever possible.

(2) Whenever a subcommittee has ordered a bill, resolution, or other matter to be reported to the Committee, the Chairman of the subcommittee reporting the bill, resolution, or matter to the full Committee, or any member authorized by the subcommittee to do so, may report such bill, resolution, or matter to the Committee. It shall be the duty of the Chairman of the subcommittee to report or cause to be reported promptly such bill, resolution, or matter, and to take or cause to be taken the necessary steps to bring such bill, resolution, or matter to a vote.

(3) In any event, the report of any subcommittee on a measure which has been approved by the subcommittee shall be filed within seven calendar days (exclusive of days on which the House is not in session) after the day on which there has been filed with the clerk of the Committee a written request, signed by a majority of the members of the subcommittee, for the reporting of that measure. Upon the filing of any request, the clerk of the Committee shall transmit immediately to the Chairman of the subcommittee notice of the filing of that request.

(4) A member of the Committee who is not a member of a particular subcommittee may sit with the subcommittee during any of its meetings and hearings, but shall not have authority to vote, cannot be counted for a quorum, and cannot raise a point of order at the meeting or hearing.

(d) Each subcommittee of the Committee shall provide the Committee with copies of such records of votes taken in the subcommittee and such other records with respect to the subcommittee as the Chairman of the Committee deems necessary for the Committee to comply with all rules and regulations of the House.

RULE 5—TRANSCRIPTS AND RECORDS

(a)(1) There shall be a transcript made of each regular and additional meeting and hearing of the Committee and its subcommittees. Any such transcript shall be a substantially verbatim account of remarks actually made during the proceedings, subject only to technical, grammatical, and typographical corrections authorized by the person making the remarks involved.

(2) The Committee shall keep a record of all actions of the Committee and each of its subcommittees. The record shall contain all information required by clause 2(e)(1) of House rule XI and shall be available for public inspection at reasonable times in the offices of the Committee.

(3) The records of the Committee at the National Archives and Records Administration shall be made available for public use in accordance with House rule XXXVI. The Chairman shall notify the ranking minority member of any decision, pursuant to clause 3(b)(3) or clause 4(b) of the rule, to withhold a record otherwise available, and the matter shall be presented to the Committee for a determination on written request of any member of the Committee.

EDUCATION ISSUES

The SPEAKER pro tempore. Under the Speaker's announced policy of January 7, 1997, the gentleman from New York [Mr. OWENS], is recognized for 60 minutes as the designee of the minority leader.

Mr. OWENS. Mr. Speaker, the State of the Union Address has come and gone, and there are a great deal of items in the State of the Union Address which we must consider carefully. I would like to point out that the one item that received the greatest amount of applause, a standing ovation from both sides of the aisle, was the President's proposals that we go forward and improve education in America on a bipartisan basis; that the partisanship should stop at the schoolhouse door. I am very optimistic that, if nothing else happens in this 105th Congress, we will go forward in a bipartisan team approach and we will improve education.
