IN HONOR OF THE HERRIN ROTARY CLUB IN CELEBRATION OF THE DIAMOND ANNIVERSARY

HON. GLENN POSHARD

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

*Thursday, March 13, 1997*

Mr. POSHARD. Mr. Speaker, I rise today to commemorate the 75th anniversary of the Herrin Rotary Club, which was chartered on February 27, 1922. This group of fine people have a history of community service. The first charter of Rotary clubs was started in 1905, and during World War I they were the first group to respond to the plight of war victims.

The Herrin Rotary Club aggressively attacked their list of things to do in order to help improve their community, such as help get "hard roads" in Blairsville Township, build a bridge over Pond Creek on Freeman Road, help put an extension to Route 148 for the city of Ziegler, add a much-needed extension to the Herrin water system, and financially contribute to the Crippled Children's School.

Many of the Herrin Rotary members rolled up their sleeves and went to work by supervising the public playgrounds, aided in the erection of a Scout cabin, worked on mosquito abatement, and provided student loans. And this was just the beginning. As they progressed in the 1950's, the new program continued to better serve the community. Being able to accomplish so many tasks left an indelible impression on the people of Herrin, IL. However, this is not the end, as this Rotary club strives for continued excellence in service.

Early in 1950, the Rotary constructed a pavilion at the nearby city park, built two baseball dugouts, helped start a senior citizen program, gave financial support to the United Way, the Boy and Girl Scouts of America, purchased safety equipment for the school-crossing patrols, provided scholarships for Herrin High School, and sponsored an international family in their effort to get a new start in the United States.

As the Herrin Rotary Club celebrates its Diamond Anniversary, I want to commend this wonderful group of people who have contributed in putting together this celebration: President Jeff Waddell, President Emeritus Carl Goodwin, and cabinet members Tom Cundiff, Greg Haub, Bill Harmon, Steve Walker, Carol Sluzevich, Dale Nofsinger, Gerald Bailey, and the hundreds of other gracious volunteers who have dedicated so much time, energy, and love. It is a true privilege for me to represent these fine citizens in the U.S. House of Representatives.

HONORING DON BAIN

HON. SCOTT McINNIS

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

*Thursday, March 13, 1997*

Mr. McINNIS. Mr. Speaker, I would like to take this opportunity today to honor the hard work and strong leadership of one of our Party's most dedicated volunteers. For the past 4 years, Don Bain has served as chairman of the Colorado Republican Party. Since taking office in 1993, Chairman Bain has worked tire-

lessly on behalf of the Republican Party and its candidates. He has striven to advance the principles of the Republican Party while maintaining the highest level of integrity and earning the respect of friend and foe alike. His record of achievement is truly impressive.

Mr. Bain's work has resulted in Republican gains across Colorado as well as an increase in voter participation—an essential element of our representative process. Our gains in registered Republican voters, gains in the State legislative majority and gains in Republican held statewide elected offices are due in large part to the Herculean efforts of Don Bain. These gains have elevated the Colorado Republican Party to its strongest level in years.

Mr. Speaker, the political process depends on the hard work of volunteers as well as the ability of all of us to engage in constructive and informative political discourse. As Don Bain ends his tenure as chairman of the Colorado Republican Party, I, along with the rest of the Republicans in the Colorado Congressional Delegation, want to thank him for his commitment to our cause and convey our utmost respect which he so rightfully deserves.
