TOM DASCHLE,
Democratic Leader, Apr. 28, 1997.

EXECUTIVE SESSION

EXECUTIVE CALENDAR

Mr. LOTT. Mr. President, I ask unanimous consent that the Senate immediately proceed to executive session to consider the following nomination on the Executive Calendar: Calendar No. 115, Elizabeth Moler, to be Deputy Secretary of Energy. I further ask unanimous consent that the nomination be confirmed, the motion to reconsider be laid upon the table, and statements relating to the nomination appear at this point in the RECORD, the President be immediately notified of the Senate's action, and the Senate then return to legislative session.

Mr. DASCHLE. Mr. President, reserving the right to object, and I will be brief because I know a lot of Senators want to depart, this will be the only opportunity we will have to express the hope that we could do better than what we have done this week, as good as it has been. The President has indicated tonight that he would be prepared to return the bill, the supplemental bill, to us tonight. There is no reason why, given that we could not vote on it tomorrow and send it back in time for him to sign it before the end of the week, because we are not going to be in—that is the announcement made by the majority leader—many of us believe that we need to vote against adjournment simply because it is our hope to stay in until the President returns the bill, giving us the opportunity to vote on it one more time this week.

I thank the majority leader for yielding. I have no objection to the unanimous-consent request.

The PRESIDING OFFICER. Without objection, it is so ordered.

The nomination considered and confirmed is as follows:

DEPARTMENT OF ENERGY

Elizabeth Anne Moler, of Virginia, to be Deputy Secretary of Energy.

Mr. DOMENICI. Mr. President, Elizabeth Anne (Betsy) Moler brings a strong record to the Deputy Secretary of Energy position. She has performed very ably in her previous leadership of the Federal Energy Regulatory Commission, and her past background with the Senate Energy and Natural Resources Committee will stand her in good stead in dealings with Congress. Two of her many accomplishments with FERC involved crafting order 636, which unbundled and largely deregulated the natural gas pipeline industry. And since 1992, she has led the Commission's deregulation of electricity utility markets—and she can now continue that leadership through her role within the Department. In all her previous assignments, Betsy Moler has demonstrated a keen analytical approach to complex issues. The Department will benefit from her abilities.

She has a formidable task ahead of her, together with Secretary Peña, to attack the stifling bureaucratic foundations of the Department and root out the serious inefficiencies that plague the Department's operations. Quickly moving to external safety and health regulation of the national laboratories, on a time scale far shorter than the leisurely one proposed by the Department, and slashing the micro-management of the Department will be challenges exceeding those that she faced at FERC.

I look forward to working with Deputy Secretary Betsy Moler and Secretary Peña to help shape the Department into a critical and highly valued contributor to national priorities.

LEGISLATIVE SESSION

The PRESIDING OFFICER. Under the previous order, the Senate will return to legislative session.

EMERGENCY SUPPLEMENTAL APPROPRIATION FOR THE FISCAL YEAR 1997—CONFERENCE REPORT

Mr. LOTT. Mr. President, I will observe that I am expecting and hoping that the President will sign the bill, and therefore there would be no necessity for further action. But if he does not, we will act further as soon as we get that information.

I might also note that the House has not yet acted, and I do not know when that may be, although I presume it will be sometime later on in the evening. As soon as they act, we will move expeditiously to get the enrollment and send the package down to the President.

GEORGE C. MARSHALL MONTH

Mr. LOTT. Mr. President, I ask unanimous consent that the Senate proceed to the immediate consideration of Senate Resolution 97 submitted earlier today by Senator WARNER.

The PRESIDING OFFICER. The clerk will report.

The legislative clerk read as follows:

A resolution (S. Res. 97) expressing the sense of the Senate that the President
