DUTY SUSPENSION LEGISLATION

Mr. THURMOND. Mr. President, I rise today to introduce three bills which will temporarily suspend the duties on parts used to manufacture loudspeakers. Currently, these parts are imported into the United States.

The three items which will receive temporary duty suspensions are certain electrical transformers, loudspeakers not mounted in their enclosures, and parts for loudspeakers. The tariffs on these items are scheduled for elimination in the Information Technology Agreement II that is currently being negotiated in the World Trade Organization.

Mr. President, suspending the duty on these items will allow a South Carolina industry to be competitive in the world marketplace. I hope the Senate will consider these measures expeditiously.

Mr. President, I ask unanimous consent that the text of the bills be printed in the RECORD.

There being no objection, the bills were ordered to be printed in the RECORD, as follows:
