#### 30TH ANNIVERSARY OF UMAS OF COLORADO

Mr. CAMPBELL. Mr. President, today I take this opportunity to recognize the 30th anniversary and reunion of the United Mexican-American Students of Colorado.

In July 1968, Mexican-American students at the University of Colorado at Boulder came together to discuss the formation of an organization committed to initiating change within the educational system to serve the needs of the Mexican-American community and to recruit minority students to the institution. The outcome of that meeting was the formation of the United Mexican-American Students (UMAS).

Later that same summer, fifty minority students were admitted into a tutorial program initiated by university professors and students to make higher education accessible to African American and Chicano students. UMAS students worked for the program. The Migrant Action Program also brought migrant workers into the university and they also became UMAS members.

A student referendum initiated and supported by UMAS was passed in March 1969 which dedicated five dollars from registration fees each semester to create scholarships for minority students. These funds and federal matching funds allowed UMAS to implement tutorial counseling, recruitment and financial aid programs. On-campus accredited summer remedial programs followed. Students who successfully completed those classes gained admission and earned financial aid.

UMAS has thrived on the Boulder Campus of the University of Colorado for three decades. This summer marks the thirtieth anniversary of the organization. To mark this important anniversary, UMAS alumni and supporters will come together to renew their commitment and unity.

Mr. President, I commend the work of UMAS students and alumni associations for their commitment and continuing efforts to serve deserving students on the Boulder campus of the University of Colorado. As someone who has experienced hardship, I sincerely appreciate the empowerment UMAS has offered to thousands of deserving students.
