NOT VOTING—9

□ 1859

So the bill was not passed.

The result of the vote was announced as above recorded.

A motion to reconsider was laid on the table.

FURTHER MESSAGE FROM THE SENATE

A Further message from the Senate by Mr. Lundregan, one of its clerks, announced that the Senate has passed without amendment a bill of the House of the following title:

H.R. 4382. An act to amend the Public Health Service Act to revise and extend the program for mammography quality standards.

The message also announced that the Senate agrees to the report of the Committee of Conference on the disagreeing votes of the two Houses on the amendment of the Senate to the bill (H.R. 4112) “An Act making appropriations for the Legislative Branch for the fiscal year ending September 30, 1999, and for other purposes.”.

MAKING IN ORDER LIMITED DEBATE AND POSTPONEMENT OF FURTHER CONSIDERATION OF H.R. 4579, TAXPAYER RELIEF ACT OF 1998

Mr. SOLOMON. Mr. Speaker, I ask unanimous consent that during consideration of H.R. 4579, pursuant to House Resolution 552, notwithstanding the order of the previous question, it may be in order after 30 minutes of the 60 minutes provided for initial debate on the bill, as amended pursuant to the rule, for the Chair then to postpone further consideration of the bill until the following legislative day, on which consideration may resume at a time designated by the Speaker.

The intent is that we would do 30 minutes of debate on the tax bill tonight, then rise, and after a Journal vote tomorrow morning take up the remaining 30 minutes of general debate time.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from New York?

Mr. RANGEL. Mr. Speaker, reserving the right to object, I will not object, but I would like to take this time to ask my friend, why is it that he only requested 30 minutes when there is a total of 2 hours debate on this bill?

In view of the fact that so many Members would want to return to their home districts, especially this time of the political year, it would seem to me that if we started debate now, we could be out of here by 9 o'clock this evening. I am wondering, why are we just debating for 30 minutes? Why can we not just take up the bill and move on from there?

Mr. SOLOMON. Mr. Speaker, will the gentleman yield?

Mr. RANGEL. Further reserving the right to object, I yield to the gentleman from New York.

Mr. SOLOMON. Mr. Speaker, as the gentleman knows, this was agreed to by the Republican and the Democrat leadership. We have to make sure the appropriators are going to get our work done. It is very, very difficult. We will go along with this.

Mr. RANGEL. I am glad that the gentleman gave that lengthy explanation there, because I thought for a minute he did not have any reason why we were doing this, but now he has cleared that all up.

Mr. Speaker, I withdraw my reservation of objection.

The SPEAKER pro tempore (Mr. SNOWBARGER). Is there objection to the request of the gentleman from New York?

There was no objection.

PERMISSION TO FILE CONFERENCE REPORTS ON H.R. 4060, ENERGY AND WATER DEVELOPMENT APPROPRIATIONS ACT, 1999, AND H.R. 6, HIGHER EDUCATION AMENDMENTS OF 1998

Mr. SOLOMON. Mr. Speaker, I ask unanimous consent that the managers
