STATEMENTS ON INTRODUCED BILLS AND JOINT RESOLUTIONS

THE DAIRY PROMOTION FAIRNESS ACT

Mr. KOHL. Mr. President, I rise today to join Senator FEINGOLD to introduce the "Dairy Promotion Fairness Act." This measure will further our nation's dairy marketing board's efforts to promote the consumption of healthy dairy products produced by family dairy farms and to fund research critical to the development of new dairy products.

This effort is needed as a matter of fairness to our nation's dairy farmers. When enacted, our legislation will require that all dairy producers whose products are sold in the United States contribute to the promotional effort. Currently, domestic producers of dairy products like cheese, butter, and yogurt, all pay a promotional fee to help promote the dairy products produced in this country. Importers do not pay this fee.
