

He doesn't do it for the pay, which is zilch; he does it for the smiles and laughter. He is a true hero in my book, good works for others with no other motive than Christian charity.

Pat deserves the gratitude of his county, state, and nation and I thank him here today on the floor of the House of Representatives.

SPECIAL EDUCATION FUNDING

**HON. DOUG BEREUTER**

OF NEBRASKA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, March 16, 1999*

Mr. BEREUTER. Mr. Speaker, this Member highly commends to his colleagues the following comments made by Deila Steiner, Director of Federal funding for the Lincoln Public Schools, which appeared in the Friday, March 12, 1999 edition of the *Lincoln Journal Star*.

If I had to choose, we would want more special education funding to meet the current obligations. Funding special education at appropriate levels will keep our class sizes down. They go hand and hand. Just sending us more teachers who are unprepared and new isn't necessarily going to serve the children.

CELEBRATING THE 71ST ANNIVERSARY OF SCHOLL'S CAFETERIA

**HON. ELEANOR HOLMES NORTON**

OF THE DISTRICT OF COLUMBIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, March 16, 1999*

Ms. NORTON. Mr. Speaker, I rise to ask the Members of the House to join me in celebrating 71 years of extraordinary food at reasonable prices by Scholl's Cafeteria. In an era when fast food dominates the field, Scholl's is a precious holdout offering service, nutritious meals, and hospitality.

The tradition of family-owned restaurants like Scholl's has all but faded, and many of us in Washington are trying to make sure that Scholl's remains a cafeteria landmark in the nation's capital. It is difficult for many to understand how Scholl's has been able to keep its prices so modest and its food so good for so long. Scholl's has put quality and service above all else and it may have to pay a heavy price. If Scholl's had answered solely to profit motives, its prices might be higher and it might not face the exorbitant cost of a lease renewal beyond its means. We must not let a lease come between Washingtonians and tourists and the low cost delicious food that thousands have relied upon.

We should all be grateful that Jim McGrath, one of the District's most effective civic activists, is leading "Save Our Scholl's (SOS)" Cafeteria Committee. I know that Members, especially those who have spent years in Washington, would want to join Jim McGrath and me in helping to save Scholl's. After almost three quarters of a century of service, Scholl's Cafeteria must be here to bring in a new century.

HONORING JERRY POLDEN AND BOB POLDEN

**HON. RON KIND**

OF WISCONSIN

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, March 16, 1999*

Mr. KIND. Mr. Speaker, I rise today to pay tribute to a local hero from western Wisconsin. I want to honor Jerry and Bob Polden who took courageous action to aid another citizen.

For the past 3 years the Eau Claire Fire Fighters Local Union 487, in conjunction with the Eau Claire Fire Department, have recognized area residents who acted bravely in emergency situations. The recipients of the Citizen Community Involvement Awards are citizens who put the safety and well being of their neighbors ahead of other concerns in a time of need.

Jerry and Bob Polden are two of those extraordinary citizens. On October 12, 1998 Jerry and Bob were pouring a concrete garage floor on Boardwalk street in Eau Claire, WI. Their father Kenneth Polden stopped by to help his sons with the job. As they were pouring the concrete their father suddenly collapsed on the ground in cardiac arrest. The two sons rushed over to him and found him pulseless and not breathing. Without hesitation the two sons began CPR on their father. Jerry did the rescue breathing and Bob did the compressions. They continued CPR for several minutes while they waited for the fire/rescue units to arrive. CPR sustained circulation in Mr. Polden's body and continued the flow of oxygen to his vital organs. Jerry and Bob were able to keep Mr. Polden alive until the rescue team arrived. This was the second time that Jerry had done CPR on his father. Five years previously Mr. Polden had gone into cardiac arrest and a friend who knew CPR had helped Jerry administer CPR to his father for the first time. This had triggered Jerry to take a CPR class so that if he was ever in a similar situation he would be able to help, not knowing that the next person would be his father.

On behalf of all the citizens of western Wisconsin I ask that the U.S. House of Representatives recognize Jerry and Bob Polden for their courage and thank them for being concerned and giving community citizens.

TRIBUTE TO MR. ROBERT L. OZUNA

**HON. XAVIER BECERRA**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, March 16, 1999*

Mr. BECERRA. Mr. Speaker, I rise today with profound sadness in my heart to pay tribute to Mr. Robert L. Ozuna, a dear friend who passed away this past Saturday, March 6, 1999 at Queen of the Valley Hospital in West Covina, California.

After 69 fulfilling years of life, Robert Ozuna joins Rosemary Ozuna, his beloved wife of 35 years who lamentably left us just months ago on November 27, 1998. He is survived by his mother, Amelia Ozuna; his sons, Steven Ozuna and Jeff Dominelli; his daughters, Nancy DeSilva and Lisa Jarrett; his sisters, Lillian Gomez and Vera Venegas; and his brother Tony Ozuna. Bob was also the proud grandfather of 8 children.

Bob was the oldest of four children born on December 29, 1929 in Miami, Arizona. Ten years later, after his father's early death, the family moved to Los Angeles where he grew up with his mother and three siblings. Like my father, as the oldest child, Bob assumed the responsibility of finding steady work at an early age to assist his mother in meeting the family's financial burdens.

In 1966, with the help of a second mortgage on his residence and a few electrician's hand tools, Bob founded his company, New Bedford Panoramex Corporation (NBP) in Upland, California. Combining hard work with entrepreneurial instincts, he built NBP into the thriving electronics manufacturing business it is today.

Bob Ozuna emerged as one of the Latino community's leading entrepreneurs in Southern California. He gained his business experience on the job while attending night school at Rio Hondo Community College.

In 1987, the U.S. Department of Transportation recognized Bob's hard work and dedication with its Minority Business Enterprise Award. The Department saw fit to honor him again with this prestigious tribute in 1991. The Air Traffic Control Association awarded Bob the Chairman's Citation of Merit Award in 1994.

As industrious as Bob was in business, he was equally involved in sharing his prosperity with many groups in the community. He was an active member of the California Chamber of Commerce. Bob founded the Casa De Rosa Annual Golf Tournament to raise funds for the Rancho de Los Ninos Orphanage in Baja Mar, Mexico. He was a founding director of the East Los Angeles Sheriff's Youth Athletic Association, which has promoted educational, athletic and drug awareness programs for more than 60,000 young Americans in the Los Angeles Metropolitan area.

Those of us who are fortunate to call Bob Ozuna friend remember him as a man who had a passion for life. He worked to succeed, but he succeeded in living—enjoying to their fullest the fruits of family and his tremendous labor. At New Bedford Panoramex Corporation, he is remembered for his generosity and genuine concern for his employees and their families.

Mr. Speaker, Robert Ozuna epitomized the American dream—if you work hard and play by the rules, you can achieve whatever you aspire to. Robert Ozuna realized that dream. And, as Steve his son knows, Bob did so much to help others come a little closer to reaching the stars as well.

Mr. Speaker, it is with heartfelt emotion that I ask my colleagues to join me today in saluting, one last time, a cherished friend and outstanding American, Mr. Robert L. Ozuna. Bob, you will be missed.

REPORT FROM INDIANA—BOONE COUNTY

**HON. DAVID M. MCINTOSH**

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, March 16, 1999*

Mr. MCINTOSH. Mr. Speaker, I rise today to give my "Report from Indiana" where I honor distinguished fellow Hoosiers who are actively engaged in their communities helping others.

Today, I want to mention a true gentleman from Boone County, Indiana who I had the privilege of meeting recently.

Mr. Speaker, it has always been my strong belief that individuals and communities can do a better job of caring for those who need help in our society than the federal government. The wonderfully kind and committed Hoosiers who I have met traveling around Indiana has not changed my view.

Ruthie and I have met hundreds of individuals who are committed to making our communities a better place in which to live and raise our children—we call them “Hoosier Heroes.”

I met a genuine Hoosier Hero in Boone County, Indiana recently. He is Gordon Husk who is President of Lebanon's newest Kiwanis Club and he serves on the board of directors of Habitat for Humanity of Boone County.

Gordon epitomizes a “Hoosier Hero”, men and women with no desire for recognition, who reenergize their communities. Gordon has been a member of the Mural Temple Shrine Transportation Committee for the past five years. During that time he has driven 261 trips to Chicago, Lexington, or Cincinnati, delivering children to these three Shrine Hospitals where they receive free treatment. That's equal to about one full year devoted to giving these kids the most precious gift possible, hope.

He doesn't do it for the pay, which is zilch; he does it for the smiles and laughter. He is a true hero in my book, doing good works for others with no other motive than Christian charity.

Gordon deserves the gratitude of his county, state, and nation and I thank him here today on the floor of the House of Representatives.

INTERNATIONAL ACCOUNTING  
STANDARDS COMMITTEE

**HON. BRAD SHERMAN**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, March 16, 1999*

Mr. SHERMAN. Mr. Speaker, I rise today to welcome the delegates to the International Accounting Standards Committee (IASC) to Washington, DC, where on March 16–19, 1999, the IASC is holding its first Board meeting that is open to public observation.

The International Accounting Standards Committee was formed in 1973 through an agreement made by professional accountancy bodies from nine countries, including the American Institute of Certified Public Accountants (AICPA). At present, 142 accounting organizations in 103 countries are IASC members. These organizations represent over 2,000,000 accountants worldwide.

The IASC works closely with the national standards-setting bodies, such as the Financial Accounting Standards Board in the United States; intergovernmental organizations such as the European Commission, the Organization for Economic Cooperation and Development, and the United Nations; and development agencies such as the World Bank. The objectives of the IASC are:

(1) To formulate and publish, in the public interest, accounting standards to be observed

in the presentation of financial statements and to promote their worldwide acceptance and observance; and

(2) To work generally for the improvement and harmonization of regulations, accounting standards and procedures relating to the presentation of financial statements.

I would like to acknowledge the hard work and spirit of public interest that characterize the participants in this meeting and to extend my best wishes to the IASC for continued success.

TRIBUTE TO THE LATE JUDGE C.  
CLYDE ATKINS

**HON. ALCEE L. HASTINGS**

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, March 16, 1999*

Mr. HASTINGS of Florida. Mr. Speaker, I rise today to pay honor and tribute to the life and the enormous contributions of Judge C. Clyde Atkins, who passed away on the morning of March 11th. As a United States District Court Judge, Judge Atkins was not only a colleague, a dear friend, but also a mentor. Judge Atkins truly saw the humanity in everyone. He championed the rights of the homeless, Cuban exiles, and Haitian refugees in his landmark decisions, such as the establishment of “safe zones” for the homeless to be free of police harassment in Miami. His rulings to prevent the repatriation of Haitian and Cuban refugees from the U.S. Naval Base at Guantanamo Bay, Cuba are legendary precedents. His efforts to improve our humanity gave encouragement and inspiration to an entire community. It is not enough to say that he will be missed. It is not even enough to say that his efforts will never be forgotten. I believe that the legacy of the Honorable Judge C. Clyde Atkins will forever live in the lives of all those whom he has inspired. I, for one, am a better American for knowing him.

HONORING JEFFERY J. ANGER II

**HON. RON KIND**

OF WISCONSIN

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, March 16, 1999*

Mr. KIND. Mr. Speaker, I rise today to pay tribute to a local hero from western Wisconsin. I want to honor Jefferey J. Anger who took courageous action to aid another citizen.

For the past 3 years the Eau Claire Fire Fighters Local Union 487, in conjunction with the Eau Claire Fire Department, have recognized area residents who acted bravely in emergency situations. The recipients of the Citizen Community Involvement Awards are citizens who put the safety and well being of their neighbors ahead of other concerns in a time of need.

Jeffery J. Anger is one of those extraordinary citizens. On June 12, 1998, Jeff was working as an assistant manager at the Perkins Family Restaurant in Eau Claire, WI. At approximately 9:20 p.m., there was a car accident in front of the restaurant. One car was

struck from the rear and pushed 200 yards through an intersection. A woman involved in the accident ran into the restaurant seeking help for the woman in the other car. Jeffery called 911 and grabbed several towels and rushed outside to the scene. He found the woman in the front of the car with a severe head wound. He wrapped the towels around her head to control the bleeding until the Eau Claire fire/rescue team arrived. He was able to provide her with comfort and reassurance while they waited for an ambulance.

On behalf of all the citizens of western Wisconsin, I ask that the U.S. House of Representatives recognize Jeffery J. Anger for his courage and thank him for being a concerned and giving community citizen.

FOR THE CHILDREN

**HON. JUANITA MILLENDER-McDONALD**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, March 16, 1999*

Ms. MILLENDER-McDONALD. Mr. Speaker, it is our responsibility as leaders and parents to act in the best interests of our children. It is our responsibility to provide our children with opportunities so that they can maximize their potential and make positive contributions to society. All children should have this opportunity. When individuals are not afforded a chance, this can limit their future. Consequently, due to this shared responsibility, I felt that it was necessary to introduce the American Asian Justice Act of 1999.

This bill will amend the Immigration and Nationality Act to facilitate the immigration to the United States of children born in the Philippines and Japan who were fathered by United States servicemen. While the children fathered by American citizens in Vietnam, Laos, Thailand, Kampuchea and Korea are allowed to immigrate to the United States, Philippine Amerasian children are denied this right because they were excluded from the 1982 U.S. Amerasian Law.

For several years, the Philippines and Japan served as a central location for military operations in the Far East. As a result, interracial relationships and marriages produced approximately 50,000 children of mixed ancestry. The majority of these children are now suffering and estranged in the Philippines today. Many children are stigmatized because they are considered illegitimate or have mixed ethnic ancestry and have been denied access to viable employment and education opportunities, causing these children to live in conditions of severe poverty. In addition, in June 1991, Mt. Pinatubo, which is located within miles of these U.S. bases, erupted and caused severe damage, leaving thousands of children of mixed ancestry abandoned, helpless, and without means of support.

Therefore, the time has come to expand the U.S. Amerasian Law to include the children of the Philippines and Japan, and facilitate their passage to the United States under the sponsorship of their U.S. relatives. It is time to help these children immigrate to the United States so they can grow up with the love and support of their own families. It is our responsibility to help these children. In helping these children we are helping ourselves.
