

the annual Christmas party for her program participants, their families and friends. This event was eagerly anticipated every year as a time to come together to enjoy the holidays. When called upon by Carm to assist with party plans, volunteers could not refuse. Carm, through her volunteer crew, prepared all the food, provided music and hung decorations, all of which were done with tremendous energy and care.

On a personal level, I have witnessed Carm's interaction with her clients. It is easy to notice her genuine affection for them, as well as their fondness for her. She always approached her work with a compassionate heart, a cheerful smile, and a wonderful sense of humor. She will be sorely missed by clients and colleagues alike.

Because of this level of dedication, it is with great pleasure that I commend Carmel Casabona for 20 years of hard work and public service. I join with her daughter Tracy, her three granddaughters, family members, and friends in thanking her for caring so much for her clients, and in wishing her a very enjoyable retirement.

IN HONOR OF BARBARA KIRIE STEWART

HON. HENRY J. HYDE

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, May 5, 1999

Mr. HYDE. Mr. Speaker, education is in crisis today in America. That is why I think it is important to recognize an outstanding teacher. I rise today to recognize Barbara Kirie Stewart, daughter of a colleague and friend of mine, James C. Kirie. Mrs. Stewart teaches at Brentwood Academy in Tennessee where an endowed chair for history has recently been established in her name. This honor could not have been bestowed on a more deserving or dedicated woman, one who truly understands the joy of giving—to her students, her friends and family, and to future generations.

The endowment chair lets the rest of the world know how integral Barbara is to Brentwood Academy. Mrs. Barbara Stewart came to Brentwood Academy in the fall of 1972, in time to see the first class graduate the following spring. She brought with her a B.A. degree from Lindenwood College and the gift of making history come alive through her effective classroom teaching style.

Barbara's work with the Youth in Government program and as the founding sponsor of the R.O. Beauchamp chapter of the National Honor Society are just some of the many community enrichment activities with which she has involved herself. Barbara's devotion to students and education has taken her through 25 years as the History Department Chair at Brentwood Academy. Along the way, she also earned an M.A.T. from Vanderbilt. Those who have known Barbara in the classroom have discovered qualities that cannot be captured: an enthusiasm that stamps her presence into their memories forever.

Mrs. Barbara Stewart's former students say it best * * *.

I became a teacher because of your inspiration. Thank you for all you did for me as a student and all you have inspired me to do as a teacher.

I can still hear your voice and recall the enjoyment of learning history from you.

You taught me to always ask why, not just who and when. That has made all the difference.

Yours is the one class from my high school days that continues to capture my imagination and still sends me to the bookshelves scrambling for more information.

No teacher in high school or college taught me as much as you. No teacher taught me how to learn as well as you. And no teacher was ever as hard as you either!

Every once in a while there is a teacher who, with contagious enthusiasm, is able to impact knowledge and show genuine interest in her students, thus earning their affection and respect in return. Thank you for being one of those rare teachers.

The longer I live, the more I realize that your hard work, dedication, and selfless service has enriched my life in countless ways.

Mr. Speaker, the Barbara Kirie Stewart Endowed Chair for History preserves the legacy of academic achievement lived out at Brentwood Academy through Mrs. Barbara Stewart—an exemplary citizen whose excellence in teaching is unsurpassed.

TRIBUTE TO UNITED BROTHERHOOD OF CARPENTERS AND JOINERS OF AMERICA, LOCAL UNION NO. 433

HON. JERRY F. COSTELLO

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, May 5, 1999

Mr. COSTELLO. Mr. Speaker, I rise today to pay tribute to the United Brotherhood of Carpenters and Joiners of America, Local Union Number 433. Local 433 is celebrating their 110th anniversary.

On May 11, 1889, 12 carpenters were granted a charter by the United Brotherhood, forming Local 433. This small group of 12 has grown significantly in membership, to its present total of 435 members.

The impact of Local 433 is highly visible in the Belleville community, as Local 433 has been instrumental in the construction of Belleville Area College, the St. Clair County Courthouse, and Scott Air Force Base, among others. Local 433 is currently working on the expansion of the MetroLink light rail system.

From its inception to today, the men and women of Local 433 have made invaluable contributions to the community, through their contributions to charity and civic events. One of Local 433's greatest achievements is its apprenticeship program. This four year program gives young carpenters the chance to learn from the community's established carpenters. There are currently 44 apprentices in this program, which was established over thirty years ago.

Mr. Speaker, I ask my colleagues to join me in congratulating Local Union Number 433 as they celebrate their 110th anniversary.

CONGRATULATING THE RAPE COUNSELING SERVICE OF FRESNO ON THEIR 25TH ANNIVERSARY

HON. GEORGE RADANOVICH

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, May 5, 1999

Mr. RADANOVICH. Mr. Speaker, I rise today to congratulate the Rape Counseling Service of Fresno, Inc. (RCS), on occasion of its 25th anniversary.

Rape Counseling Service is a victim advocacy agency. Its mission is to alleviate the trauma due to sexual assault and/or child molestation, to educate the public and to raise the level of awareness regarding rape and child abuse prevention.

RCS made its start with a small core of volunteers meeting in a dorm room at California State University Fresno. It now has a staff of 33 members, and 52 volunteers who aid in crisis intervention, prevention education, a 24-hour hot-line, hospital and court advocacy and individual counseling.

For the past seven years, RCS has been ranked the number one rape crisis center in the state of California by the Office of Criminal Justice Planning, and for the past six years, has been the number one funded agency by Fresno County. The U.S. Department of Justice has named the RCS Sexual Assault Response Team (SART) as one of only two programs in the state to be listed in Promising Practices, a report to improve the criminal justice system's response to violence against women.

Over the years RCS has established a strong working relationship with the Fresno Police Department, the Fresno County Sheriff's Office and the District Attorney's office. It also interacts with other community-based organizations: Sanctuary, House of Hope, Human Services Coalition, Fresno County Child Abuse Prevention Council, The Fresno Policy Academy and Comprehensive Youth Services.

Mr. Speaker, I rise today to congratulate the Rape Counseling Service of Fresno on the occasion of its 25th anniversary. The services provided are invaluable to the well-being of the community and victims of assault. I urge all of my colleagues to join me in wishing RCS many years of continued success.
