#### TRIBUTE TO THE TOWN OF PLAISTOW, NEW HAMPSHIRE

● Mr. SMITH of New Hampshire. Mr. President, I rise today to pay tribute to the town of Plaistow, New Hampshire on its two hundred and fiftieth anniversary. The town's residents will celebrate this historic occasion on June 27, 1999 with a number of festivities including a grand reception. I was proud to be invited to participate in this meaningful event.

Plaistow's history first dates back to the year 1642 when families first settled in the Plaistow area. It was then that the Plaistow area was purchased. In 1749, Plaistow was incorporated. At that time, it was separated from Haverhill, Massachusetts. Then Governor Benning Wentworth, along with King George II signed the town's first charter.

The town has had a rich and fruitful history. The First Baptist Church was built in 1837, and subsequently remodeled in 1906. The first Catholic Church, Holy Angels, was built in 1893, then redone in 1964. The first high school was built in 1966. Prior to that, the students traveled outside the town for schooling.

Plaistow has steadily grown throughout the years. In 1854, there were 800 people. In 1949, the town had grown to 1800 people. Today, over 7000 people are residents of Plaistow.

Through the years, Plaistow residents have courageously served their country. They have served in the Colonial War, Revolutionary War, Civil War, World War I, World War II, the Korean War and the Vietnam War.

The most well known benefactor of the town was Arthur Pollard. Pollard donated the bell for the First Baptist Church, the land for Pollard School and the town hall, and the Civil War statue and cannons on the town green.

I congratulate the town of Plaistow, and all of the dedicated and patriotic citizens there. I am proud to be their Senator.●

#### HONORING THE LIVINGSTONS ON THEIR 50TH WEDDING ANNIVERSARY

● Mr. ASHCROFT. Mr. President, families are the cornerstone of America. Individuals from strong families contribute to the society. In an era when nearly half of all couples married today will see their union dissolve into divorce, I believe it is both instructive and important to honor those who have

taken the commitment of "till death us do part" seriously, demonstrating successfully the timeless principles of love, honor, and fidelity. These characteristics make our country strong.

For these important reasons, I rise today to honor Robert and Nellie Livingston, who on June 4th, 1999, will celebrate their 50th wedding anniversary. Many things have changed in the 50 years they have been married, but the values, principles, and commitment this marriage demonstrates are timeless. As Mr. and Mrs. Livingston celebrate their 50th year together with family and friends, it will be apparent that the lasting legacy of this marriage will be the time, energy, and resources invested in their children, friends, and community. My wife, Janet, and I look forward to the day we can celebrate a similar milestone.

The Livingstons' commitment to the principles and values of their marriage deserve to be saluted and recognized.●

#### RECOGNIZING THE WASHINGTON REGIONAL MEDICAL CENTER

● Mrs. LINCOLN. Mr. President, I take this opportunity to recognize the Washington Regional Medical Center in Fayetteville, AR, for being awarded the American Hospital Association's prestigious 1999 NOVA award. This award is given to acknowledge hospitals that create and implement new and innovative community partnerships. Only nine hospitals nationwide were honored by this distinction.

The Washington Regional Medical Center is a leader in its commitment to the health and well-being of Washington County's children. The Washington Regional Medical Center works to reverse the trend of chronic disease, disability, and even death through its "Kids For Health Program." In collaboration with the Washington County school system, more than 8,000 children have been educated about self-esteem, general health, nutrition, fitness, hygiene, safety, and environmental health. Good health habits learned at a young age often parlay into better health in adult life. The "Kids For Health Program" proves that communities which educate their children in healthy habits reap vast benefits by becoming healthier communities overall.

On behalf of all the children in Arkansas, I thank the Washington Regional Medical Center for its impressive achievement in children's health and its contribution to stronger communities.●

#### NATIONAL PEACE OFFICERS MEMORIAL DAY

● Mr. JEFFORDS. Mr. President, I rise today to pay tribute to our nation's law enforcement officers who have lost their lives in the line of duty. I am proud to be a cosponsor of S. Res. 22, a resolution passed earlier this year by the Senate to commemorate and ac-

knowledge the dedication and sacrifice made by these men and women. The resolution declared this Saturday, May 15th, as National Peace Officers Memorial Day.

Currently, there are more than 700,000 men and women who serve this nation as the guardians of law and order. The duties of a law enforcement officer are both vitally important and extremely dangerous. Officers place themselves between our communities and the criminals who would do us harm. Every year, approximately 1 in 9 officers is assaulted, 1 in 25 officers is injured, and 1 in 4,400 officers is killed in the line of duty. In 1998, 156 federal, state and local law enforcement officers lost their lives in the line of duty.

My home state of Vermont is familiar with the sacrifices made by law enforcement officer. Since 1965, the nine Vermont law enforcement officers listed below have lost their lives in the line of duty.

July 9, 1965, Chief Alexander Pontecha, Lyndonville Police Department.

December 12, 1972, Chief Dana L. Thompson, Manchester Police Department.

January 17, 1978, Deputy Sheriff Bernard J. Demag, Chittenden County Sheriff's Department.

April 27, 1978, Game Warden Arnold J. Magoon, Vermont Fish and Wildlife Department.

October 1, 1982, Deputy Sheriff George J. Bent, Chittenden County Sheriff's Department.

May 13, 1983, Lieutenant Arthur L. Yeaw, Vermont Department of Public Safety.

June 14, 1987, Detective Sergeant William J. Chenard, Vermont Department of Public Safety.

June 25, 1989, Investigator Eugene N. Gaiotti, Vermont Department of Liquor Control.

May 12, 1992, Sergeant Gary Gaboury, Vermont Department of Public Safety.

It is my hope that the National Peace Officers Memorial Day will remind Vermonters and Americans everywhere of the sacrifices made by law enforcement officers, and of the vital duties they perform every day. Whether by apprehending dangerous felons, assisting stranded motorists on the side of the road, or improving the lives of our young people, law enforcement officers make our towns, cities, states, and Nation safer places to live and work. We owe a tremendous debt of gratitude to those officers, and their families, who have given so much to improve all of our lives.●
