## CONGRATULATING ANDRE AGASSI ON WINNING FOUR GRAND SLAM VICTORIES

(Mr. GIBBONS asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. GIBBONS. Mr. Speaker, it is my great honor and pleasure to come to the floor today and congratulate one of my constituents for his efforts in the French Open, and one effort which was described as one of the greatest moments ever seen in sports.

Nevada's most famous tennis superstar, Andre Agassi, yesterday earned a

very special spot in tennis history, becoming the fifth man in history to win four Grand Slam victories.

Yesterday millions around the world watched Andre's impressive two-sets-down come-from-behind victory. In his own words, Andre, a No. 1 who dropped out of the top 100 not long ago and has steadily climbed back into the top 25 said, "What I have managed to accomplish is astounding. This was the greatest thing I could ever do."

So to Andre Agassi and his proud parents, Mike and Betty, and on behalf of the very proud State of Nevada, I want to congratulate you and wish you continued success. Nevada is indeed very proud of your accomplishments, and proud to call you one of our own.

## SLEEPWALKING MURDERER NEEDS TO CATCH A FEW Z'S IN ELECTRIC CHAIR

(Mr. TRAFICANT asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. TRAFICANT. Mr. Speaker, Scott Falater does not deny it. He admits that he stabbed his wife 44 times. He then held her underwater while she bled to death, and then he hid the evidence. But, after all that, Falater says he is not guilty because he was sleepwalking.

Unbelievable, Mr. Speaker. Are we to believe that Falater was just dreaming through his wife's screams? Are we to believe he was just walking in the park when he stabbed her 44 times?

Beam me up. I say it is time for Scott Falater to sleepwalk down murderer's row and catch a few Z's right in the electric chair. Sleep on that, Falater.

## CHALLENGE TO NATO'S CONTINUED BOMBING, DESPITE RUSSIAN-FINNISH PEACE PLAN AND VICTORY TALK

(Mr. KUCINICH asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. KUCINICH. Mr. Speaker, NATO is risking reigniting a wider war by simultaneously insisting on troop withdrawals and continuing bombing attacks on the troops. If acceptance of the Russian-Finnish peace plan by the Serb Government means anything, then the bombing should have stopped. If it means nothing, then why did NATO officials declare victory because such a plan had been accepted?

Either NATO has a peace plan in its hand or it does not. If it does, then it should stop the bombing instead of this approach of putting one foot on the accelerator of war and the other on the brake of peace. When Japan sued for peace after the atomic bombs were dropped, the U.S. did not keep bombing.

The L.A. Times quoted an unnamed NATO diplomat as describing the

agreed-upon exit of troops in these terms: "Take these routes, don't get off them, move quickly, do not stop to collect \$200," in an apparent reference to the Monopoly game. The same diplomat was saying, "Anybody off the yellow brick road is subject to being bombed," a reference to the Wizard of Oz.

The undisguised attempts to trivialize the importance of troop withdrawals and the further threats to bomb military targets in retreat reveals an arrogance of power which is neither conducive to concluding a peaceful agreement, nor keeping a condition of peace. If NATO wants peace, it ought to show it by stopping the bombing.

#### CONGRATULATING PEOPLE OF GUAM ON CONTRIBUTIONS TO SOUTH PACIFIC GAMES

(Mr. UNDERWOOD asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. UNDERWOOD. Mr. Speaker, I take this time on the floor to congratulate the people of Guam for their exemplary contributions to the management and the operation of the South Pacific Games.

The South Pacific Games occur every 4 years and invite a number of athletes from all the South Pacific independent nations, as well as territories under French control and under American control, for games which are actually part of a larger set of games qualifying for the Olympics.

I am happy to report that Governor Carl Gutierrez, as well as Clifford Guzman, Rick Goss and a number of other people from the Guam National Olympic Coordinating Committee, have done an exemplary job in welcoming over 3,000 athletes from throughout the Pacific Islands.

Right now Guam is number three in medals, but we still have a week left to go. I want to congratulate all of the fine athletes from Guam.

#### ANNOUNCEMENT BY THE SPEAKER PRO TEMPORE

Such rollcall votes, if postponed, will be taken after debate is concluded on all motions to suspend the rules, but not before 6 p.m. today.

#### MISCELLANEOUS TRADE AND TECHNICAL CORRECTIONS ACT OF 1999

Ms. DUNN. Mr. Speaker, I move to suspend the rules and concur in the

Senate amendment to the bill (H.R. 435) to make miscellaneous and technical changes to various trade laws, and for other purposes.
