

first assault wave on Red Beach in Tarawa. Surviving one of the bloodiest battles in Marine Corps history, Lloyd Gladson earned the Purple Heart, and many other medals too numerous to mention.

Although his professional accomplishments will long be remembered and admired, most who knew him well will remember Lloyd Gladson, above all else, as a friend. It is clear the multitude of those who have come to know Lloyd as friend, will mourn his absence. However, Mr. Speaker, I am confident that, in spite of this profound loss, the family and friends of Arnold Lloyd Gladson can take solace in the knowledge that each is a better person for having known him.

IN RECOGNITION OF LOUIS "BOB"  
TRINCHERO

**HON. MIKE THOMPSON**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, June 8, 1999*

Mr. THOMPSON of California. Mr. Speaker, I am pleased today to recognize Louis "Bob" Trincherro, of St. Helena, California, who on June 9th will be presented the Anti-Defamation League's (ADL) 1999 Wine and Restaurant Industry Achievement Award in San Francisco.

For many years, Bob Trincherro has been a respected leader, both in the Napa Valley community as well as in our nation's wine industry. As a native St. Helenan, I am extremely proud of my good friend's outstanding accomplishments.

Bob Trincherro, chairman and chief operating officer of Sutter Home Winery, started as a teenager at the family business washing wine barrels and shoveling grape pomace. After returning from service in the Air Force in 1958, he built the winery up from a "real mom and pop operation" to America's leading varietal wine producer. Today, he supervises all aspects of Sutter Home's operations, with particular emphasis on vineyard development and wine production.

A past president of the Napa Valley Vintners Association and member of the Wine Institute board of directors, Bob is active in industry affairs and is often consulted by other vintners and the media for his commonsense analysis of important industry issues. He has made significant contributions in many areas of our community, including but certainly not limited to his efforts to improve health care services and affordable housing for farm workers.

Mr. Speaker, I believe it is fitting and appropriate to honor the lifetime of service Bob Trincherro has given to his community, his state and his nation. Undoubtedly, there are many families in Napa County who are thankful each day for his tremendous work and generosity. Napa County is a prosperous community and its residents can point to Bob Trincherro's service as one reason for this prosperity.

The ADL is a leading civil rights and human relations organization dedicated to combating prejudice, bigotry and discrimination, defending democratic ideals and safeguarding human rights. The ADL's 1999 Wine and Restaurant Industry Achievement Award is presented to individuals who have distinguished themselves by demonstrating the highest values of corporate, civic and communal leadership.

Mr. Speaker, ADL could not have selected a more worthy recipient of this award. I would like to personally commend Louis "Bob" Trincherro on his dedication and meritorious service to our community and our nation. I congratulate him on being presented the ADL's 1999 Wine and Restaurant Industry Achievement Award.

HONORING THE MEMORY OF  
WALTER B. STOVALL

**HON. GENE GREEN**

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, June 8, 1999*

Mr. GREEN of Texas. Mr. Speaker, I rise today to pay tribute to Walter R. Stovall, who passed away on May 31, 1999. I ask all of my colleagues in Congress to join me in paying tribute to an outstanding individual. Walter Stovall was born on May 28, 1910, and was married for 64 years to Inez Kessler Stovall.

He is preceded in death by his son, Walter Stovall, Jr. and is survived by a sister, Viona Kirby of Normangee, numerous nieces, nephews and devoted friends. Walter will be missed by many people.

In 1942, he enlisted in the U.S. Navy as one of the 1,000 Houston volunteers who replaced the crew of the sunken U.S.S. *Houston*. After his distinguished career in the U.S. Navy, Walter went to work for the FMC Corporation. He retired after 42 years of committed service.

As a dedicated Christian layman, Walter Stovall participated actively in the life of Memorial Baptist Church. He was a member of this church for 51 years, serving as its treasurer for 39 years. His devotion and morals are an inspiration to us all.

Walter was also an energetic and vital member of the Aldine community, where he served on the Board of Trustees of the Aldine Independent School District for 22 years. He was also active in the Boys Scouts of America and the Aldine Civic Club.

For years, the Aldine community benefited from the wisdom and dedication of Walter Stovall. I am certain that the strength of the community would not be what it is without Mr. Stovall's years of service, and I am confident that his legacy will continue for years to come. We will miss him, but we feel fortunate for having known him.

IN MEMORY OF FIREFIGHTER ANTHONY PHILLIPS, ENGINE COMPANY NO. 10, NATION'S CAPITAL

**HON. ELEANOR HOLMES NORTON**

OF THE DISTRICT OF COLUMBIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, June 8, 1999*

Ms. NORTON. Mr. Speaker, in my conversation with Lysa Phillips, the very young widow of Firefighter Anthony Phillips, I have been struck by her personal strength and her inner peace. I have deeply admired how she has drawn on the strong bond and deep love she and Firefighter Phillips shared and the extraordinary devotion that Firefighter Phillips had for his children, his family, and his work. So strong was his love for his family, his God, and his work that his love has made Lysa and his family especially strong.

Again and again, we are told that Firefighter Phillips loved his work. We are indebted to brave young firefighters, like Firefighter Phillips, who love their work and who, unlike us, neither fear nor shun danger, but rush to conquer it. We give thanks for the young, loving life of Anthony Phillips and we honor him for his courage and his sacrifice.

In remembering Firefighter Phillips, we are especially mindful of the men and women of the Department he has left behind to carry on his work of confronting danger whenever and wherever it appears. To properly remember Firefighter Anthony Phillips is to remember the members of the District of Columbia Fire Department and their indispensable mission, the debt we owe him, and the debt we owe them.

SUGAR FARMERS DESERVE A  
HAND—NOT A SLAP IN THE FACE

**HON. DAVID E. BONIOR**

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, June 8, 1999*

Mr. BONIOR. Mr. Speaker, every morning when we wake up each of us have certain routines; we have our coffee with sugar and cream; we eat a bowl of cereal; or perhaps a piece of toast with jam; things we enjoy, but put little thought into from where the food came.

However, one thing is clear—without sugar farmers that coffee would be a little bitter and that cereal and toast would be a little bland.

American sugar farmers are among the most efficient in the world—and with a level playing field in the global market would easily provide the best value.

Foreign governments, however, heavily subsidize their sugar industry to the point where our farmers need stability to compete.

But what do some of our colleagues try to do year after year? There seems to be an annual attempt to knock out the modest safety net we put into place in the 1996 farm bill to ensure our sugar growers have a chance.

In fact, it's hard to believe that the modest loan program we put into place would face such repeated attacks.

The loan program operates at no net cost to the government.

It simply gives some assurance to our sugar growers and their families that they will have some stability and be able to meet their financial commitments.

At a time when the U.S. farm economy is in its worst shape in decades, the least we can do is honor the commitments we've already made to our farm families.

In the 1996 farm bill, we made a seven-year obligation to our sugar farmers. We need to keep that promise.

That is why I oppose efforts to weaken the sugar loan program, and I urge my colleagues to do so as well.
