ADDITIONAL STATEMENTS

TRIBUTE TO GEORGE P. CROUNSE

● Mr. McCONNELL. Mr. President, I rise today to pay tribute to the life of George P. Crouse, who passed away on August 22, 1999. His death marked the end of a five-decade career of entrepreneurship, community building, and philanthropy in Paducah, Kentucky.

A native of Minneapolis, Minnesota, George worked for the Tennessee Valley Authority and then Arrow Transportation Company, an Alabama firm. George served his country in the U.S. Navy during World War II, and came to Paducah in 1945, to work for Iger Towing. George realized the potential of his new hometown as a crossroads of the nation's major river ways, and Crouse Corporation began operations in 1949, when its first towboat, *The Alice*, began operation on the Ohio River. This was the beginning of George's dream to have his own company.

Crouse Corporation continued to grow over the years, and expanded operations to other parts of the inland waterway system. From that single boat, the *Alice*, grew one of the nation's largest towing companies which presently operates 25 towboats and 750 barges. Even more amazing, the only time George borrowed money for his operation was the \$60,000 he borrowed to help construct that first boat. Aside from that initial loan, the Crouse Corporation balance sheets never showed debt. George continued to run the company as its chairman until only a few weeks prior to his death.

George led not only his own company to prosperity, but helped establish Paducah as a major center for river shipping, bringing economic growth and jobs to the area. His business acumen also was highly sought out in other areas such as banking. George was a firm believer in the principle of giving back to the community that had been so good to him, his family, and business. Entities such as the Paducah Public Library, Tilghman High School, and the new River Heritage Museum benefitted from George's generosity and guidance. We will probably never know the true extent of George's work to better the lives of all those in his community, and that's just the way George, a humble and modest man, would have wanted it.

George Crouse perhaps will best be remembered as a dogged advocate for education. In 1968, as a board member of Paducah Junior College, he helped bring the school into the statewide network of the University of Kentucky Community College System. George made sure that PJC retained ownership
