FURTHER MESSAGE FROM THE SENATE

A further message from the Senate by Mr. Lundregan, one of its clerks, announced that the Senate agrees to the report of the Committee of Conference on the disagreeing votes of the two Houses on the amendment of the Senate to the bill (H.R. 2084) "An Act making appropriations for the Department of Transportation and related agencies for the fiscal year ending September 30, 2000, and for other purposes."

SPECIAL ORDERS

The SPEAKER pro tempore. Under the Speaker's announced policy of Jan-

uary 6, 1999, and under a previous order of the House, the following Members will be recognized for 5 minutes each.

The SPEAKER pro tempore. Under a previous order of the House, the gentleman from Illinois (Mr. LIPINSKI) is recognized for 5 minutes.

(Mr. LIPINSKI addressed the House. His remarks will appear hereafter in the Extensions of Remarks.)

LOCAL ACCESS TO SATELLITE RECEPTION

The SPEAKER pro tempore. Under a previous order of the House, the gentleman from Colorado (Mr. MCINNIS) is recognized for 5 minutes.

Mr. MCINNIS. Mr. Speaker, as my colleagues know, my district is a rural district in the State of Colorado, the Third Congressional District of Colorado. That congressional district actually is geographically larger than the State of Florida.

I can tell my colleagues, it is very important out there in the rural areas of Colorado, as it is through most of the rural areas in the United States, that we have TV reception. We have become very dependent of late upon satellite reception. As many of my colleagues know, for the last 11 or so years, local access has been banned through satellite.

Well, we are about to change that. We passed a bill out of the House. The Senate has passed a bill. I have good news tonight for those of my colleagues who have constituents who use satellite service for local access. Things are about to change.

The conference committee I think is making good progress. I hope that, in the next 3 to 4 weeks, the satellite users, including many of my constituents in the State of Colorado, will once again have an opportunity for local access.

EXHIBIT AT BROOKLYN MUSEUM OF ART

Mr. MCINNIS. The second point I wish to address this evening, Mr. Speaker, is the art exhibit in New York City, the Brooklyn Art Museum. I made some comments about that last week. I am amazed how over the weekend the media has been very successful in tying the exhibit, and I will tell my colleagues exactly what it is, a portrait of the Virgin Mary with crap thrown all over it, to be quite blunt with you. They have made this controversy in New York City as if it is a controversy between the freedom of speech under the Constitutional amendment and people who were offended by the art.

That is not the controversy at all. The controversy in New York City in that museum is that the taxpayers of the United States of America are being asked to pay for this art exhibit at the Brooklyn Museum.
