

Fulton Street; the building still stands today. DC Sample, affectionately known as "Bud" and Harry Sample stayed in the immediate area. Bud's children, Sally Sharer and Pug Perkins still live in Clovis. Harry's children, Bonner, Jane Craiger and Tommy live close by. One of Bonner's children is Captain Scotty who flies around the valley every morning giving us the traffic report.

"The Hall of Fame Honorees" are The Clovis Rodeo Association, Sgt. Shelby Cox, Everett George "Bud" and Evelyn Rank, Wesley and Betty Wipf.

The Clovis Independent Newspaper stated, "Perhaps more than any other group or organization, The Clovis Rodeo Association exemplifies life in Clovis. For more than 80 years, the association has organized and operated the Clovis Rodeo, which has grown from a small gathering of working cowboys to a world-renowned event that was televised nationally for the first time this year. The Clovis Rodeo Association has served as Clovis' Ambassadors to the world, and has become an integral part of the history, stability and growth of the community of Clovis."

Sgt. Shelby Cox—his dedication to the citizens of Clovis was always in the forefront during his nearly 35 years with the Clovis Police Department. He was active in community groups as well as department activities, and founded several of the Clovis Police Department's more popular programs. The goal of the Hall of Fame is to honor citizens that have made a difference; that have contributed to the growth and development of Clovis. Shelby has made a difference, he has contributed to "the Clovis way of life."

Everett George "Bud" and Evelyn Rank—Bud and Evelyn were raised on Clovis farms and graduated from Clovis High School. They were married and raised their family in Clovis. Bud, a member of the Clovis Rodeo Association since 1940, was active in the Clovis Young Farmers, California Young Farmers, Clovis Masonic Lodge, Clovis Grange, Clovis Farm Bureau and the Fresno County Farm Bureau. He served as Board President of the Fort Washington School, President, Vice President and Clerk of the Clovis Unified School Board—a charter Director of the Clovis Schools Foundation and was on the Board of Directors of the Clovis-Sanger Cotton Gin. They raised their daughters Ginny Hovsepian, Judy Rank and Pat Rank who remain in the area. Evelyn supported all of her husband's activities as well as serving as a Northwest Sunday school Kindergarten Teacher and a Deaconess for the Northwest Church. Evelyn worked for Congressman Pashayan's office and at the White House Greeting Office while they were in Washington, DC. She also participated with the Reagan Reelection Committee and served on the Reagan Inaugural Committee. Upon returning home, she served on Clovis School Bond Committees. The Ranks are avid football fans and have rarely missed a Clovis Unified School District home game.

Wesley and Betty Wipf got married at 5 AM and have stayed married for over 51 years. Wes lived at Shaver Lake and moved to Clovis in 1940. While attending Clovis High School, he received the Sassano All American Blanket for Track. Wes went on to manage the Newberry's variety store in Clovis. He later opened the first donut shop in Clovis and then when Wiffee's Trophy Shop outgrew the bed-

room in his home, he opened a shop on Fourth Street. Betty is the former Betty Pendergrass of the Clovis famed family. She became a teacher and taught at Weldon Elementary School for over 28 years. Betty still substitutes and is a "Home Hospital Instructor." The Wipf's are members of the Clovis United Methodist Church, where Betty has been a member for over 50 years. Now in retirement the Wipf's have donated over 1,000 hours of work to the Clovis Hospital Guild; hours and hours of time to the Clovis Chamber of Commerce, and participate every morning with the Mall Walkers Group at the Sierra Vista Mall.

"Citizen of the Year"—Tom Stearns—Tom was born in West Fresno, went to local schools and relocated to Clovis in 1956. Tom and his wife, Burline, have three daughters and five grandchildren. Tom was raised on a small farm in West Fresno; he worked as a farm laborer through High School. Tom worked for PG&E from 1945–1993, he is now retired. Tom has been dedicated to the Clovis Community, having served on the Clovis City Council since 1983. Tom was Mayor, Mayor Pro Tem, and is currently serving out the remainder of a two-year term as a Council member. Tom has been a member of the Rodeo Association since 1981 and has served on most of the Rodeo Committees. Tom has been on the Board of Directors for the past seven years and is serving his first term as President. Tom was elected Citizen of the Year for his extensive participation with the Rodeo Association to enlarge the event to a three-day show and to help secure exposure on television through E.S.P.N. With his guidance as President and with the full support of the Rodeo Association Board, the Clovis Rodeo and the community of Clovis was brought to international attention.

Mr. Speaker, I want to congratulate all of the Clovis Chamber of Commerce 1999 Hall of Fame Inductees. Each of the winners is an outstanding citizen and deserves special recognition. I urge my colleagues to join me in wishing each award winner many more years of continued success.

TRIBUTE TO PAUL B. SOUDER

HON. ROBERT A. UNDERWOOD

OF GUAM

IN THE HOUSE OF REPRESENTATIVES

Thursday, October 28, 1999

Mr. UNDERWOOD. Mr. Speaker, the island of Guam bids farewell to an esteemed resident and long-time servant of the community. Paul B. Souder, a former military officer and colleague in the field of education and public administration, was called to his eternal rest on October 15, 1999.

Paul Souder was born on July 20, 1915, in Des Moines, Iowa. Having graduated from Roosevelt High School in Des Moines, he went on to attend Drake University from 1933 through 1935. He later received an undergraduate and a master's degree from Iowa State University and worked towards a doctorate degree at the Massachusetts Institute of Technology. Through his college career, he worked as a teaching assistant, research assistant and research fellow at Iowa State, at Woods Hole Oceanographic Institution, and at the Massachusetts Institute of Technology. In

1943, he was called to serve in the United States Navy. Between 1944 and 1945, he attended the Naval School of Military Government at Princeton University.

Mr. Souder first arrived on Guam in 1945 while still serving in the military as a naval officer. He worked for the pre-Organic Act Naval Government as the head of the Department of Records and Accounts. This department handled tasks now assigned to the Departments of Revenue and Taxation, Administration, Commerce, and Land Management, the Commercial Port, and the United States Immigration and Naturalization Service.

When Guam was granted civil government by the Organic Act of 1950, Mr. Souder worked for the local government where, at different times, he served as director for several of the island's newly created agencies. During his service of nearly half a century with all three branches of the government of Guam, he headed the Department of Public Works, the Department of Land Management and Commerce, the Bureau of Planning, the Guam Energy Office, and the Public Utility Commission. He also served as Executive Assistant to the Governor of Guam and as Director of the Guam Legislative Research Bureau. His retirement in 1988 as Program Coordinator for the Superior Court of Guam concluded his long and distinguished service with the local government.

Over the years, Mr. Souder also worked in managerial capacities for a number of businesses. He held memberships in the Land Transfer Board, the Board of Equalization, the Rotary Club, the Guam Historical Society, the Board of Education, the Territorial Planning Commission, and the Guam Chamber of Commerce. He was a long-standing member of the Vicariate Council, the Agana Cathedral Financial Council and also active with the Parents-Teachers Associations of Bishop Baumgartner, the Cathedral School, the Academy of Our Lady, and Saint Francis School. In recognition of his community and public service, Mr. Souder received awards and honors from institutions such as the Massachusetts Institute of Technology and the Public Works Center of Guam. He is also the recipient of a papal decoration from His Holiness Pope John XXIII.

We have been truly blessed in having Mr. Souder become a part of our island community. The legacy he leaves behind includes several decades of government and community service as well as extensive literary works on Guam history, culture, flora and fauna. He will greatly be missed by all of us on Guam. On behalf of the people of Guam, I join his widow, the former Mariquita Calvo Torres, and his children Laura, Deborah, and Paul Bernhardt in celebrating his life and mourning the loss of a husband, father, and fellow public servant. Adios, Mr. Souder.
