

Exposure Compensation Fund. The amounts in the fund are available for expenditure by the Attorney General under section 305, and the Fund terminates 22 years after the date of enactment of this title. This section also authorizes appropriations to the Fund in the sums necessary to carry out the purposes of the title and provides that authority under this Act to enter into contracts or to make payments is not effective in any fiscal year except to the extent, or in the amounts, provided in advance in appropriations Acts.

SECTION 304. ELIGIBLE EMPLOYEES

This section sets forth who is eligible to receive compensation under this title and provides that an eligible employee who files a claim that the Attorney General determines meets the requirements of this title, receives \$100,000 as compensation.

A person eligible for compensation is a Paducah employee (as defined under section 302(2)) who was employed at the Paducah, Kentucky, gaseous diffusion plant for at least one year during the period beginning on January 1, 1953, and ending on February 1, 1992, who during that period was monitored through the use of dosimetry badges for exposure at the plant to radiation from gamma rays or who worked in a job that, as determined by regulation, led to exposure at the plant to radioactive contaminants, including plutonium contaminants; and who submits written medical documentation as to having contracted a specified disease after beginning employment at the plant during the indicated period and after being monitored or beginning work at a job that could have led to exposure as specified.

SECTION 305. DETERMINATION AND PAYMENT OF CLAIMS

Generally, this section sets forth the procedures for filing claims, authority for the Attorney General to consider claims and make compensation payments, consequences of payment of a claim, cost of administering the program, and appeals procedures.

Subsection (a) provides that the Attorney General establish procedures whereby individuals may submit claims for payment under this title.

Subsection (b) provides that the Attorney General determine whether a claim filed under this title meets the requirements of the title. It also provides for consultation with the Surgeon General and the Secretary of Energy in certain instances.

Subsection (c) provides that the Attorney General pay, from amounts available in the Fund, claims filed under this title that the Attorney General determines meet the requirements of this title. This subsection also sets out the conditions under which payments are offset and the United States is subrogated to a claim. It also provides for payment to the survivor of a Paducah employee who is deceased at the time of payment under this section.

Subsection (d) provides that the Attorney General complete the determination on each claim not later than twelve months after the claim is so filed. The Attorney General may request from any claimant, or from any individual or entity on behalf of any claimant, additional information or documentation necessary to complete the determination.

Subsection (e) provides that employees at the Paducah facility eligible for benefits under this title can elect which remedy to pursue. If they elect to proceed under this title, then acceptance of payment under this title will be in full settlement of all claims against the United States, DOE, a DOE contractor, a DOE subcontractor, or an employee, agent, or assign of one of them arising out of the illness for which the payment was made, except for claims in an administrative or judicial proceeding under a state

workers' compensation statute, subject to the reduction-of-benefits provision of subparagraph (3). Under that subparagraph, the benefits awarded to a claimant under this title would be reduced by the amount of any other payments received by that claimant because of the same specified illness, excluding payments for medical expenses under a workers' compensation system.

Subsection (f) sets forth how costs of administering the title are paid.

Subsection (g) provides that the duties of the Attorney General under this section cease when the Fund terminates.

Subsection (h) provides that amounts paid to an individual under this section are not subject to federal income tax under the internal revenue laws of the United States; are not included as income or resources for purposes of determining eligibility to receive benefits described in section 3803(c)(2)(C) of title 31, United States Code or the amount of these benefits; and are not subject to offset under section 3701 et seq. of title 31, United States Code.

Subsection (i) provides that the Attorney General may issue the regulations necessary to carry out this title.

Subsection (j) provides that regulations, guidelines, and procedures to carry out this title shall be issued not later than 270 days after the date of enactment of this title.

Subsection (k) sets forth administrative appeals procedures and procedures for judicial review.

SECTION 306. CLAIMS NOT ASSIGNABLE OR TRANSFERABLE

This section provides that a claim cognizable under this title is not assignable or transferable.

SECTION 307. LIMITATIONS ON CLAIMS

This section provides that claim to which this title applies shall be barred unless the claim is filed within 20 years after the date of the enactment of this title.

SECTION 308. ATTORNEY FEES

This section limits the amount of attorney fees for services rendered in connection with a claim under this title to no more than 10 percent of a payment made on the claim. An attorney who violates this section shall be fined not more than \$5,000.

SECTION 309. CERTAIN CLAIMS NOT AFFECTED BY AWARDS OF DAMAGES

This section provides that a payment made under this title shall not be considered as any form of compensation or reimbursement for a loss for purposes of imposing liability on the individual receiving the payment, on the basis of this receipt; to repay any insurance carrier for insurance payments. A payment under this title does not affect any claim against an insurance carrier with respect to insurance.
