ADDITIONAL STATEMENTS

PANDA TRIBUTE

• Mr. CLELAND. Mr. President, I share with my colleagues some very exciting news coming out of my home state of Georgia. Earlier this month, two giant pandas, Lun Lun and Yang Yang, were delivered safely by UPS from Beijing, China to their new home at Zoo Atlanta after a 17-hour global journey.

Zoo Atlanta Director Dr. Terry Maple "signed" for the special delivery during a welcoming ceremony at Atlanta's Hartsfield International Airport with more than 200 dignitaries and elementary school children looking on. The very special delivery brings to six the total number of rare giant pandas now residing in the United States.

I would like to recognize the special role that UPS has played in this long journey to bring the pandas to their new home. UPS became involved with the panda transport when Zoo Atlanta officials asked for their help in the construction and maintenance of the panda habitat. The UPS Foundation agreed to give \$625,000 over five years to fund the habitat project at the zoo, and also agreed to provide all the logistical support necessary to move the pandas from Beijing to Atlanta.

The move involved over 100 UPS employees in six cities from around the world (Atlanta, Louisville, Anchorage, Singapore, Hong Kong and Beijing) covering travels of 7,526 miles. There were backup flight crews and a backup aircraft in place in case of health problems or mechanical failures, customs support people to smooth the process of bringing the animals onto U.S. soil, and even a UPS manager to accompany the two-person flight crew and act as load master.

UPS also flew two Chinese and one American veterinarians from Beijing to Atlanta. The animals were unloaded by UPS air gateway employees and placed in UPS package cars (the familiar brown delivery truck) that were specially marked with panda graphics. The vehicles (four trucks, two as backups in case of mechanical problems) were driven by specially chosen Circle of Honor members, UPS drivers who have driven for 25 years or more without an accident. The package cars were outfitted with air conditioning and heating units for the animals.

This exciting new addition to the Atlanta landscape would not have been possible without the hard work, dedication and financial support of many people, especially at Zoo Atlanta and UPS. I am thrilled that Atlanta will be a

part of such an important exchange and friendship endeavor with the people of China and I am proud of the support and enthusiasm that have showered Lun Lun and Yang Yang throughout their journey and now that they are in their new home.●

WAYNE COUNTY MEDICAL SOCIETY 150TH ANNIVERSARY

• Mr. ABRAHAM. Mr. President, I rise today to honor and congratulate the Wayne County Medical Society as they gather in celebration of their 150th Anniversary.

The Wayne County Medical Society has set a pioneering tradition in health care since it was founded on April 14, 1849. They began with only 50 physicians and have grown to include more than 4,200 physicians. They work together to promote unity and loyalty among physicians in the community and to raise awareness of public health issues concerning the citizens of Wayne County.

What is truly remarkable about this select group is the profound impact they have had on the public health of the people in Detroit and Wayne County. One of its most notable accomplishments was leading a polio immunization drive which vaccinated thousands of Detroiters and all but eliminated the threat of the crippling disease.

The WCMS continues to provide health care that shows no bounds with the free medical and dental clinic they run at the Webber School in Detroit. Every child is offered free services such as physical examinations, dental fluoride sealants and prophylaxis. The WCMS also takes a proactive approach to health care, in 1998 they sponsored a teen pregnancy conference with more than 500 Detroit Public School students in attendance. The children were encouraged to abstain from sex and to understand the consequences of not practicing safe sex. By sponsoring an annual party for foster children in Wayne the WCMS shows their commitment to the community extends beyond healthcare. The WCMS is truly an asset to the Detroit Community.

The accomplishments this elite group has made in the past 150 years are to be commended. Guided by the spirit of charity the WCMS has improved and enriched the lives of countless people. It is my hope that they will continue encouraging unity among physicians and be a crusader for public health in Detroit for many years to come.●
