

CONGRATULATIONS TO THE UNIVERSITY OF WISCONSIN'S FOOTBALL TEAM

HON. TAMMY BALDWIN

OF WISCONSIN

IN THE HOUSE OF REPRESENTATIVES

Wednesday, November 17, 1999

Ms. BALDWIN. Mr. Speaker, I rise today to congratulate the University of Wisconsin's football team. This has been an exceptional season for the Badgers in many respects.

For the second straight year, the Badgers are off to play in a major NCAA Bowl Game. The Badgers could go to the Rose Bowl, just as they did last year, or to another major bowl, depending on how other college teams fare in the closing weeks of the season. On Saturday, a beautiful and unusually balmy day at Camp Randall, the Badgers sealed their ticket to a bowl game by defeating the Iowa Hawkeyes, 41 to 3, and winning the Big Ten championship.

But securing the championship was not all that was celebrated on Saturday. Before nearly 80,000 screaming Badger fans, tailback Ron Dayne made history as he became the all-time rushing leader in NCAA Division I football. Ron Dayne has finished his collegiate career with 6,397 yards—and is the favorite for winning this year's Heisman Trophy.

Ron Dayne's historic record and going to a major bowl game for the second straight year are only part of the triumphant season. The whole team created this championship. It was particularly heartening to see the team come together when Coach Barry Alvarez was either coaching from his hospital bed or the coach's box while waiting for knee replacement surgery.

The Badgers end the regular season with a 9–2 record. Congratulations to all the players, students and fans at the University of Wisconsin. I look forward to enjoying the Fifth Quarter at the bowl game. On Wisconsin!

STOPPING ABUSE OF COMPREHENSIVE OUTPATIENT REHABILITATION FACILITY PROGRAM

HON. FORTNEY PETE STARK

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, November 17, 1999

Mr. STARK. Mr. Speaker, one of the good services in Medicare is the CORF (Comprehensive Outpatient Rehabilitation Facility) program, where beneficiaries recovering from an illness or operation can get a wide range of quality rehab services.

Unfortunately, there appears to be a loophole in the law allowing the establishment of "satellite" CORFs. In this scheme, doctors are getting letters offering to rent part of their office for the placement of a therapist. The rent offered is often sight-unseen and is far above what is a reasonable rental rate. It is, in my opinion, a violation of the anti-kickback laws and is a way to get referrals that greatly drives up utilization and costs for Medicare.

To stop this proliferation of services we never knew we needed, I am introducing a bill, with an effective date of today, to require that all CORF services be provided at one site. I submit a letter from the HCFA Deputy Admin-

istrator on this issue and on the steps Medicare is taking to avoid fraudulent utilization in this area. The Administration is to be commended for its efforts to prevent abuse in this area—but clarifying the law will also be helpful.

DEPARTMENT OF HEALTH AND HUMAN SERVICES, HEALTH CARE FINANCING ADMINISTRATION, DEPUTY ADMINISTRATOR

Washington, DC, Oct. 27, 1999.

Hon. PETE STARK,
House of Representatives, Washington, DC.

DEAR MR. STARK: Thank you for your letter to the Administrator regarding contracts being mailed to doctors to open uncertified mini-Comprehensive Outpatient Rehabilitation Facilities (CORFs) in physicians' offices. I am responding on her behalf, and I apologize for the delay in this response. You also stated that you earlier copied the Administrator on a letter you sent to the Department of Health and Human Services' (DHHS) Office of the Inspector General regarding this matter. You are requesting that the Administrator immediately put a halt to the proliferation of these "satellite" CORFs.

I share your concern with the apparent proliferation of satellite CORFs. Based on the information furnished, the establishment of satellite facilities is consistent with section 1861(cc) of the Social Security Act (the Act). Section 1861(cc)(1) of the Act states that in the case of physical therapy (PT), occupational therapy (OT), and speech pathology (SP) services there shall be no requirement that the item or service be furnished at any single, fixed location. All other CORF services must be provided at the site of the CORF approved for Medicare participation.

It should be noted that although the Act exempts these services from the single, fixed location requirement, it does not exempt them from any of the other CORF requirements. Since the CORF must make documentation available to the state survey agency surveyor demonstrating that it furnishes all services in compliance with the CORF requirements, we would expect the documentation at the CORF for services furnished off-site would not be unlike that for services furnished at the CORF. Also, state survey agencies are not precluded from making visits to the off-site locations as necessary, to ensure that the CORF requirements are met.

Recently, a briefing on CORFs and outpatient rehabilitation facilities was held for Kevin Thurm, Deputy Secretary of DHHS. I presented the Health Care Financing Administration' (HCFA's) program integrity action plan based on analysis we had initiated with the HCFA Miami Satellite Office. The plan includes intensified medical review in targeted areas, education of providers and fiscal intermediaries, and increased reviews of off-site locations. I believe these interventions and the increased oversight will curb inappropriate growth of the providers until HCFA is granted statutory authority to require that PT, OT, or SP be furnished at a single, fixed location.

Thank you for your interest in this matter.
Sincerely,

MICHAEL M. HASH,
Deputy Administrator.

A TRIBUTE TO BILL SHIVELY ON HIS RETIREMENT

HON. JIM RAMSTAD

OF MINNESOTA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, November 17, 1999

Mr. RAMSTAD. Mr. Speaker, I rise today to pay tribute to one of our nation's best and brightest business leaders.

By any measure of merit, William C. Shively, is a truly visionary business leader. His hard work and pioneering efforts in the area of financial management and commitment to public service are absolutely exemplary—as well as an inspiration to us all.

Mr. Speaker, Bill Shively is retiring as Executive Vice President of the nationally recognized Gelco Information Network in my Third District of Minnesota.

Bill had the vision in 1992 to bring corporate America's soundest financial management practices to the federal government. In his book *Best Practices*, Bill Shively identified areas for immediate improvement and re-engineering. He targeted official business travel within government since, in the corporate world, travel is the third largest business expense behind payroll and data processing.

Mr. Speaker, in 1995 the federal government was spending over \$7 billion on official business travel. Mr. Shively realized the government was spending unnecessary overhead based on the outdated business processes that governed federal travel.

The need for improvement in this arena, Mr. Speaker, was the source for Bill's vision to create a business unit dedicated to identifying improvements and recommending solutions to save taxpayer money. The vision's underlying theme was to save taxpayer money through the implementation of re-engineered systems and processes.

Mr. Speaker, the Government Services Division of Gelco was born on March 1, 1995 and was comprised of Bill and one other employee. Since 1995, the business has grown to close to 100 employees, supporting products and services utilized today within every single federal executive agency within our government.

Bill helped the Department of Defense through the evolutionary stages of defining its vision, leading to one of the largest non-weapons procurements—DTS.

Mr. Speaker, Bill Shively leaves a legacy of public service that will be long remembered. But, more important to Bill, he leaves a legacy to that is sure to inspire his family for generations to come. Despite the impact of his visionary actions around the world, Bill Shively's No. 1 priority has been his family. Bill has been a dedicated father of three sons and a devoted husband to his wife, Betty.

Mr. Speaker, Bill Shively has done much for his country. We must take the time to pay tribute to great Americans like Bill, citizens who share their special skills to make outstanding contributions to their nation. Bill Shively may be retiring, but he has improved federal processes and driven down costs to taxpayer—truly lasting contributions that will benefit our country for generations to come.

At a time when good role models are few and far between, a time when people of integrity are needed more than ever, Bill Shively is a shining example of how to achieve success in our personal, professional and public lives.
