

the strongest economy in American history. We should all be proud to congratulate the company for this critical investment in humanity.

Mr. Speaker, I ask that you join our colleagues, the friends and employees of this outstanding company and me in recognizing the outstanding and invaluable service to the community of the Mills Corp.

HONORING JASON REDMOND OF
SOLDOTNA, ALASKA

HON. DON YOUNG

OF ALASKA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, March 8, 2000

Mr. YOUNG of Alaska. Mr. Speaker, today I would like to congratulate and honor a young Alaska student from my district who has achieved national recognition for exemplary volunteer service in his community. Jason Redmond of Soldotna, Alaska has just been named one of my state's top honorees in The 2000 Prudential Spirit of Community Awards program, an annual honor conferred on the most impressive student volunteers in each state, the District of Columbia and Puerto Rico.

Mr. Redmond is being recognized for his hard work and dedication in organizing a free public bicycle system for residents of his town who do not drive or own their own bicycles. He has volunteered his time by getting out into his community and making a difference in people's lives.

In light of numerous statistics that indicate Americans today are less involved in their communities than they once were, it's vital that we encourage and support the kind of selfless contribution this young citizen has made. People of all ages need to think more about how we, as individual citizens, can work together at the local level to ensure the health and vitality of our towns and neighborhoods. Young volunteers like Mr. Redmond are inspiring examples to all of us, and are among our brightest hopes for a better tomorrow.

The program that brought this young role model to our attention, The Prudential Spirit of Community Awards, was created by The Prudential Insurance Company of America in partnership with the National Association of Secondary School Principals in 1995 to impress upon all youth volunteers that their contributions are critically important and highly valued, and to inspire other young people to follow their example. In only five years, the program has become the nation's largest youth recognition effort based solely on community service, with nearly 75,000 youngsters participating since its inception.

Mr. Redmond should be extremely proud to have been singled out from such a large group of dedicated volunteers. I heartily applaud Mr. Redmond for his initiative in seeking to make his community a better place to live, and for the positive impact he has had on the lives of others. He has demonstrated a level of commitment and accomplishment that is truly extraordinary in today's world, and deserves our sincere admiration and respect. His actions show that young Americans can, and do, play important roles in our communities, and that America's community spirit continues to hold tremendous promise for the future.

IN MEMORY OF LARRY MICHELS

HON. SAM FARR

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, March 8, 2000

Mr. FARR of California. Mr. Speaker, I rise today to honor a local entrepreneur and community personality whose leadership and innovation profoundly affected all who knew and worked with him. Mr. Larry Michels passed away on November 8, 1999 at the age of 68.

Born in Chicago, Illinois on January 17, 1931, Larry was the founder and genius behind Santa Cruz County's largest high-tech enterprises, Santa Cruz Operation. Launched with his son and current Chief Executive Officer, Doug Michels, out of a small Victorian house in Santa Cruz's downtown periphery, the father and son team's visionary approach and determination created Santa Cruz Operation into a business of 1,200 fiercely loyal employees. The company found a niche in the high-tech industry by placing the Unix operating system on Intel-based computers which propelled Santa Cruz Operations to the forefront of the Unix software movement.

Described as a passionate and dynamic leader who inspired the "loyalty and admiration of many employees," (Doug Michels, SCO CEO) Larry resigned his position in 1992 and retired to Evergreen, Colorado where he soon returned to his entrepreneurial roots taking an active role in launching and developing startups as well as re-engineering existing companies. It is a combination of Larry's natural talent and creative genius, his vivacious and dauntless personality as well as his hard-working and determined spirit that makes him such a memorable and respected member of the community.

Mr. Speaker, I ask that you join me and our colleagues in recognizing the valuable contributions of Larry Michels whose leadership in our community has profoundly impacted and influenced the many who were privileged to know and work with him through the years. The products of Mr. Michels' genius continue with us today through his homegrown company, Santa Cruz Operations. Mr. Larry Michels will be missed and his years of achievement and innovation will not be forgotten. Larry is survived by his companion, Geri Snyder; sons, Doug, Jordan and David Michels; daughter, Dia Michels; sister, Barbara Michels; former wife, Loni Michels; and seven grandchildren.

RECOGNIZING THE BUTLER COUNTY
BICENTENNIAL CELEBRATION

HON. RON KLINK

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, March 8, 2000

Mr. KLINK. Mr. Speaker, I rise today to recognize the citizens of Butler County who celebrate their community's 200th birthday this year. At noon on Sunday, March 12, two minutes of church bell ringing will commence in churches throughout the county. The celebration will continue throughout the day with speeches and events along a "whistle stop" tour in several other communities in the county.

Butler County is a thriving part of Western Pennsylvania with some of the fastest growing areas in the region and in the state. Agriculture and industry coexist in this community providing jobs and opportunities to the hard-working families who call Butler their home. With its beautiful state parks and gamelands, Butler County attracts visitors from all over the state seeking to enjoy the forests and lakes that make this area of Pennsylvania so unique.

On my many trips to Butler County I have received nothing but good wishes from the people of this community. Their support has been invaluable to me during my years in Congress, and I will never forget their kindness.

Once again, I urge my colleagues to rise and recognize the citizens of Butler County on this truly momentous occasion. Their commitment to family and community spirit represent the finest qualities of the Fourth Congressional District.

TRIBUTE TO CHIEF JAMES K.
PASQUARIELLO

HON. BILL PASCRELL, JR.

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Wednesday, March 8, 2000

Mr. PASCRELL. Mr. Speaker, I would like to call to your attention the deeds of an outstanding Fire Chief and a valued member of my community, James Kenneth Pasquariello of Paterson, New Jersey. Jim is being honored tonight by the Northern New Jersey Council of the Boy Scouts of America. It is only fitting that we are gathered here in his honor, as he is named Boy Scout's "Man of the Year," for Jim defines caring and generosity of spirit.

Chief Pasquariello, a member of the Passaic Valley High School class of 1963, found his calling at Passaic County Community College in Paterson. It was there that he received an Associate Degree in Fire Science Technology. Jim also possesses a Fire Official license from the Bureau of Fire Safety of the State of New Jersey.

Jim's time spent working in the fire safety has instilled the attributes necessary for him to become the stellar positive force in the community he has now become. It was the small steps in the beginning of his career that taught him the fundamentals that would make Jim a role model to the firefighters he now leads.

Known for his ability to get things done, Jim Pasquariello was appointed to the Paterson Fire Department on August 1, 1968. He was promoted to Captain on August 1, 1980. On February 19, 1998 Jim attained the rank of Battalion Chief. Always respected and well liked, he continued to rise within the department. When Jim became Deputy Chief on June 3, 1994 he assumed command of Tour Number 3 as Shift Commander. Only three short years later, Jim reached the pinnacle of his fire service career when he was promoted to Chief of the Paterson Fire Department on October 31, 1997. During his distinguished career of 31 years of service, Jim has served in numerous fire companies in various capacities. In addition, he has been cited on three occasions for conduct above and beyond the call of duty.
