TITLE IV—MISCELLANEOUS PROVISIONS

SEC. 401. SENSE OF CONGRESS ON RALLY FOR RURAL AMERICA AND RURAL CRISIS.

(a) FINDINGS.—Congress finds that—

(1) on March 20-21, 2000, thousands of rural citizens, working families, and those representing the environmental and religious communities traveled to Washington, D.C., to participate in the Rally for Rural America;

(2) a broad coalition of over 30 farm, environmental, and labor organizations that are concerned that rural America has been left behind during this time of prosperity participated in organizing the Rally for Rural America;

(3) although the majority of America has reaped the benefits of the strong economy, rural Americans are facing their toughest times in recent memory;

(4) the record low prices on farms and ranches of the United States have rippled throughout rural America causing rural communities to face numerous challenges, including—

(A) a depressed farm economy;

(B) an escalation of mergers and acquisitions;

(C) a loss of businesses and jobs on rural main street;

(D) erosion of health care and education;

(E) a decline in infrastructure;

(F) a reduction of capital investments; and

(G) a loss of independent family farmers;

(5) the Rally for Rural America urged Congress to reform the Federal Agriculture Improvement and Reform Act of 1996 (Public Law 104-127) to formulate rural policies in a manner that will alleviate the agricultural price crisis, ensure fair and open markets, and encourage fair trade;

(6) thousands of rural citizens have advocated farm policies that include—

(A) a strong safety net for all agricultural producers;

(B) competitive markets;

(C) an investment in rural education and health care;

(D) protection of natural resources for the next generation;

(E) a safe and secure food supply;

(F) revitalization of our farm families and rural communities; and

(G) fair and equitable implementation of government programs;

(7) because agricultural commodity prices are so far below the costs of production, eventually family farmers will no longer be able to pay their bills or provide for their families;

(8) anti-competitive practices and concentration are a cause of concern for American agriculture;

(9) rural America needs a fair and well reasoned farm policy, not unpredictable and inequitable disaster payments;

(10) disaster payments do not provide for real, meaningful change; and

(11) the economic conditions and pressures in rural America require real change.

(b) SENSE OF CONGRESS.—It is the sense of Congress that—

(1) the participants in the Rally for Rural America are commended and their pleas have been heard; and

(2) Congress should respond with a clear and strong message to the participants and rural families that Congress is committed to giving the crisis in agriculture, and all of rural America, its full attention by reforming rural policies in a manner that will—

(A) alleviate the agricultural price crisis;

(B) ensure competitive markets;

(C) invest in rural education and health care;

(D) protect our natural resources for future generations; and

(E) ensure a safe and secure food supply for all.
