

particular, he commanded aviators participating in developing the methods of delivering nuclear weapons from tactical aircraft.

I recall my mother and father making Commander's condolence calls on the wives and children of members of his unit who perished in developing the dangerous aviation maneuvers. It was tragic that, because of the then-secret nature of this critical national security mission, the families never knew the true nature and importance of their sacrifices. They were told only that their loved ones perished in "training" exercises. I will never forget the faces of those widows and their children who were my playmates.

This resolution asks all Americans to recall and honor the sacrifices of these men and all of the others who made the ultimate sacrifice for our freedom. I extend gratitude to Carmella LaSpada, the director of the non-profit No Greater Love organization, who originated the idea for the National Moment of Silence. From the middle of the Vietnam War, No Greater Love has worked with the families of deceased service members and those missing in action, organized celebrities to conduct hospital visits for wounded veterans and has conducted Memorial Day remembrance ceremonies at Arlington National Cemetery.

I urge my colleagues on both sides of the aisle to support this resolution for a National Moment of Remembrance.

Mr. GILMAN. Mr. Speaker, I rise today in strong support of H. Con. Res. 302, legislation calling for a National moment of remembrance to honor the men and women who died in the pursuit of freedom and peace. I urge my colleagues to join in supporting this timely and appropriate measure.

This bill provides for a minute of remembrance to occur on each Memorial Day at 3 p.m., local time, for the population to pause and remember all those who selflessly gave their lives in defending the cause of freedom. It further calls on the President to issue a proclamation calling for the same.

Mr. Speaker, Memorial Day is a solemn occasion, that all too often in recent years, has become simply the unofficial start of summer or another excuse for a retail sale. Perhaps this is the result of the past near 30 years of relative peace.

Whatever the reason, it is important that we not forget the original reason for the founding of Memorial Day. This legislation will help to prevent this. We need to honor the memories of those who died to secure the blessings of liberty that we enjoy today. For this reason, I urge my colleagues to give their support to this worthy measure.

Mrs. BIGGERT. Mr. Speaker, I yield back the balance of my time.
