### ENERGY AND WATER DEVELOPMENT APPROPRIATIONS

*Committee on Rules:* Granted, by voice vote, an open rule providing one hour of general debate on H.R. 4733, making appropriations for energy and water development for the fiscal year ending September 30, 2001, to be equally divided between the chairman and ranking minority member of the Committee on Appropriations. The rule waives clause 4 of rule XIII (requiring a three day layover of the committee report and requiring a three day availability of printed hearings on a general appropriations bill) against consideration of the bill. The rule waives clause 2 of rule XXI (prohibiting unauthorized or legislative provisions in an appropriations bill) and clause 5(a) of rule XXI (prohibiting a tax or tariff provision in a bill not reported by a committee with jurisdiction over revenue measures) against provisions in the bill). The rule provides that the amendment printed in the Rules Committee report may be offered only by a Member designated in the report and only at the appropriate point in the reading of the bill, shall be considered as read, shall be debatable for the time specified in the report equally divided and controlled by the proponent and an opponent, shall not be subject to amendment, and shall not be subject to a demand for a division of the question in the House or in the Committee of the Whole. The rule waives all points of order against the amendment printed in the report. The rule authorizes the Chair to accord priority in recognition to Members who have pre-printed their amendments in the Congressional Record. The rule

allows the Chairman of the Committee of the Whole to postpone votes during consideration of the bill, and to reduce voting time to five minutes on a postponed question if the vote follows a fifteen minute vote.
