

This bill amends the Pacific Northwest Power Planning and Conservation Act to allow the administrator of Bonneville Power Administration to sell electricity at wholesale to Joint Operating Entities, the acronym JOEs. JOEs are comprised of public power bodies or cooperatives that aggregate their power contracts into a single contract for administrative and operational efficiencies. Under the bill, the power is sold solely for the purpose of meeting regional firm power consumer loads of regional public bodies and cooperatives that are members of the JOE. Other Federal power marketing agencies currently make similar aggregate sales. The Bonneville Power Administration, for example, also makes aggregated sales for transmission contracts and nonfirm and surplus power sales.

Mr. Speaker, the bill is narrowly drawn to allow only JOEs that were in existence as of the date of enactment to participate. It does not expand purchasers' rights or ability to resell power other than to their own retail customers or other JOE members, or as otherwise permitted by law.

Mr. Speaker, I urge my colleagues to support this legislation.

Mr. Speaker, I yield back the balance of my time.

Mr. WALDEN of Oregon. Mr. Speaker, I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from Oregon (Mr. WALDEN) that the House suspend the rules and pass the Senate bill, S. 1937.

The question was taken; and (two-thirds having voted in favor thereof) the rules were suspended and the Senate bill was passed.

A motion to reconsider was laid on the table.

DESCHUTES RESOURCES CONSERVANCY REAUTHORIZATION ACT OF 1999

Mr. WALDEN of Oregon. Mr. Speaker, I move to suspend the rules and pass the Senate bill (S. 1027) to reauthorize the participation of the Bureau of Reclamation in the Deschutes Resources Conservancy, and for other purposes.

The Clerk read as follows:

S. 1027

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. SHORT TITLE.

This Act may be cited as the "Deschutes Resources Conservancy Reauthorization Act of 1999".

SEC. 2. EXTENSION OF PARTICIPATION OF BUREAU OF RECLAMATION IN DESCHUTES RESOURCES CONSERVANCY.

Section 301 of the Oregon Resource Conservation Act of 1996 (division B of Public Law 104-208; 110 Stat. 3009-534) is amended—

(1) in subsection (b)(3), by inserting before the period at the end the following: ", and up to a total amount of \$2,000,000 during each of fiscal years 2002 through 2006"; and

(2) in subsection (h), by inserting before the period at the end the following: "and \$2,000,000 for each of fiscal years 2002 through 2006".

The SPEAKER pro tempore. Pursuant to the rule, the gentleman from Oregon (Mr. WALDEN) and the gentleman from American Samoa (Mr. FALEOMAVAEGA) each will control 20 minutes.

The Chair recognizes the gentleman from Oregon (Mr. WALDEN).

GENERAL LEAVE

Mr. WALDEN of Oregon. Mr. Speaker, I ask unanimous consent that all Members may have 5 legislative days within which to revise and extend their remarks on S. 1027.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Oregon?

There was no objection.

Mr. WALDEN of Oregon. Mr. Speaker, I yield myself such time as I may consume.

The Deschutes Resources Conservancy was authorized in 1996 as a 5-year pilot project designed to achieve local consensus for projects to improve the ecosystem health in the Deschutes River Basin.

The existing authorization provides up to \$1 million through the Bureau of Reclamation each year for projects. Projects funded through the Conservancy demonstration include: piping for irrigation district delivery systems to prevent water loss; securing water rights for instream flows to secure Squaw Creek habitat; providing fencing of riparian areas to project riverbanks; working with private timberland owners to restore riparian and wetland areas; and seeking donated water rights to enhance instream flows in the Deschutes River Basin.

Mr. Speaker, the bill would reauthorize the 5-year pilot project from 2002 to 2006 and increase the authorization ceiling to \$2 million annually.

Mr. Speaker, this is an excellent piece of legislation. It is a great group that puts a lot of hard work into these projects, and I would encourage my colleagues to support its reauthorization.

Mr. Speaker, I reserve the balance of my time.

Mr. FALEOMAVAEGA. Mr. Speaker, I yield myself such time as I may consume.

(Mr. FALEOMAVAEGA asked and was given permission to revise and extend his remarks.)

Mr. FALEOMAVAEGA. Mr. Speaker, I thank my good friend, the gentleman from Oregon, for the management of this legislation. I thank the good Senator from Oregon, Senator GORDON SMITH, for his chief sponsorship of this bill. I thank also my good friend, the gentleman from Oregon, for his passage previously of similar legislation.

Mr. Speaker, Senate bill 1027 is to extend participation of the Bureau of Reclamation in the Deschutes Resources Conservancy.

The Deschutes Resources Conservancy was authorized in 1996 as a 5-

year pilot project designed to achieve local consensus for projects to improve ecosystem health in the Deschutes River Basin. Mr. Speaker, S. 1027 will reauthorize funding of these activities for another 5 years and increase the authorization ceiling to \$2 million annually.

This is a highly successful, inexpensive, and popular program involving the cooperation of irrigators, ranchers, environmentalists and State, local and Federal Government agencies. I urge my colleagues to support the bill.

Mr. Speaker, I have no additional speakers, and I yield back the balance of my time.

Mr. WALDEN of Oregon. Mr. Speaker, I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from Oregon (Mr. WALDEN) that the House suspend the rules and pass the Senate bill, S. 1027.

The question was taken; and (two-thirds having voted in favor thereof) the rules were suspended and the Senate bill was passed.

A motion to reconsider was laid on the table.

SAN BERNARDINO NATIONAL FOREST LAND CONVEYANCE

Mr. WALDEN of Oregon. Mr. Speaker, I move to suspend the rules and pass the bill (H.R. 3657) to provide for the conveyance of a small parcel of public domain land in the San Bernardino National Forest in the State of California, and for other purposes, as amended.

The Clerk read as follows:

H.R. 3657

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. LAND CONVEYANCE AND SETTLEMENT, SAN BERNARDINO NATIONAL FOREST, CALIFORNIA.

(a) CONVEYANCE REQUIRED.—Subject to valid existing rights and settlement of claims as provided in this section, the Secretary of Agriculture shall convey to KATY 101.3 FM (in this section referred to as "KATY") all right, title and interest of the United States in and to a parcel of real property consisting of approximately 1.06 acres within the San Bernardino National Forest in Riverside County, California, generally located in the north ½ of section 23, township 5 south, range 2 east, San Bernardino meridian.

(b) LEGAL DESCRIPTION.—The Secretary and KATY shall, by mutual agreement, prepare the legal description of the parcel of real property to be conveyed under subsection (a), which is generally depicted as Exhibit A-2 in an appraisal report of the subject property dated August 26, 1999, by Paul H. Meiling.

(c) CONSIDERATION.—Consideration for the conveyance under subsection (a) shall be equal to the appraised fair market value of the parcel to be conveyed. Any appraisal to determine the fair market value of the parcel shall be prepared in conformity with the Uniform Appraisal Standards for Federal Land Acquisitions and approved by the Secretary.

(d) SETTLEMENT.—In addition to the consideration referred to in subsection (c), upon
