

Federal lands and at high risk from wildfire that are included in the list published pursuant to paragraph (2) but that are not included in subparagraphs (A) and (B) of paragraph (2), along with an identification of reasons, including but not limited to lack of available funds, why there are no treatments ongoing or being prepared for these communities.

(4) Within 30 days after enactment of this Act, the Secretary of Agriculture shall publish in the Federal Register the Forest Service's Cohesive Strategy for Protecting People and Sustaining Resources in Fire-Adapted Ecosystems. The documentation required by section 102(2)(C) of the National Environmental Policy Act accompanying the proposed regulations revising the National Forest System transportation policy; proposed roadless area protection regulation; and proposed Interior Columbia Basin Project; and the Sierra Nevada Framework/Sierra Nevada Forest Plan shall contain an analysis and explanation of any differences between the Cohesive Strategy and the policies and rule-makings listed in this paragraph. Nothing in this title is intended or should require a delay in the rule-makings listed in this paragraph.

(5)(A) Funds provided to the Secretary of Agriculture by this title and to the Secretary of the Interior, the Secretary of Commerce, and the Council on Environmental Quality by this Act and any other applicable act appropriating funds for fiscal year 2001 shall be used as necessary to establish and implement the expedited procedures set forth in this paragraph for decisions to conduct hazardous fuel reduction treatments pursuant to paragraphs (1) and (2), and any post-burn treatments within the perimeters of areas burned by wildfire, on federal lands.

(B) The Secretary of Agriculture, the Secretary of the Interior, the Secretary of Commerce, and the Chairman of the Council on Environmental Quality shall use such funds specified in subparagraph (A) as necessary to evaluate the need for revised or expedited environmental compliance procedures including expedited procedures for the preparation of documentation required by section 102(2) of the National Environmental Policy Act (42 U.S.C. 4332(2)) for treatment decisions referred to in subparagraph (A). The Secretary of Agriculture, the Secretary of the Interior, the Chairman of the Council on Environmental Quality shall report to the relevant congressional committee of jurisdiction within 60 days of enactment of this Act to apprise the Congress of the decision to develop any expedited procedures or adopt or recommend any other measures. Each Secretary may employ any expedited procedures developed pursuant to this subsection for a treatment decision when the Secretary determines the procedures to be appropriate for the decision. These procedures shall ensure that the period of preparation for environmental documentation be expedited to the maximum extent practicable. Each Secretary and the Council shall effect any modifications to existing regulations and guidance as may be necessary to provide for the expedited procedures within 180 days of the date of enactment of this Act.

(C) With the funds specified in subparagraph (A), the Secretary, as defined in section 3(15) of the Endangered Species Act of 1973 (16 U.S.C. 1532(15)), may accord priority as appropriate to consultation or conferencing under section 7 of such Act (16 U.S.C. 1536) concerning any treatment decision referred to in subparagraph (A) for which consultation or conferencing is required.

(D) With the funds specified in subparagraph (A), administrative review of any treatment decision referred to in subparagraph (A) shall be conducted as expeditiously as possible but under no circumstances shall exceed any statutory deadline applicable to such review.

(E) No provision in this title shall be construed to override any existing environmental law.
