

PERSONAL EXPLANATION

Mr. FOSSELLA. Mr. Speaker, I am not recorded on rollcall Nos. 510 and 511. I was unavoidably detained and therefore could not vote for this legislation. Had I been present, I would have voted "aye" on both rollcall votes.

STEENS MOUNTAIN COOPERATIVE
MANAGEMENT AND PROTECTION
ACT OF 2000

Mrs. MYRICK. Madam Speaker, by direction of the Committee on Rules, I call up House Resolution 609 and ask for its immediate consideration.

The Clerk read the resolution, as follows:

H. RES. 609

Resolved, That at any time after the adoption of this resolution the Speaker may, pursuant to clause 2(b) of rule XVIII, declare the House resolved into the Committee of the Whole House on the state of the Union for consideration of the bill (H.R. 4828) to designate wilderness areas and a cooperative management and protection area in the vicinity of Steens Mountain in Harney County, Oregon, and for other purposes. The first reading of the bill shall be dispensed with. All points of order against consideration of the bill are waived. General debate shall be confined to the bill and shall not exceed one hour equally divided and controlled by the chairman and ranking minority member of the Committee on Resources. After general debate the bill shall be considered for amendment under the five-minute rule. In lieu of the amendment recommended by the Committee on Resources now printed in the bill, it shall be in order to consider as an original bill for the purpose of amendment under the five-minute rule the amendment in the nature of a substitute printed in the Congressional Record and numbered 1 pursuant to clause 8 of rule XVIII. That amendment in the nature of a substitute shall be considered as read. During consideration of the bill for amendment, the Chairman of the Committee of the Whole may accord priority in recognition on the basis of whether the Member offering an amendment has caused it to be printed in the portion of the Congressional Record designated for that purpose in clause 8 of rule XVIII. Amendments so printed shall be considered as read. The Chairman of the Committee of the Whole may: (1) postpone until a time during further consideration in the Committee of the Whole a request for a recorded vote on any amendment; and (2) reduce to five minutes the minimum time for electronic voting on any postponed question that follows another electronic vote without intervening business, provided that the minimum time for electronic voting on the first in any series of questions shall be 15 minutes. At the conclusion of consideration of the bill for amendment the Committee shall rise and report the bill to the House with such amendments as may have been adopted. Any Member may demand a separate vote in the House on any amendment adopted in the Committee of the Whole to the bill or to the amendment in the nature of a substitute made in order as original text. The previous question shall be considered as ordered on the bill and amendments thereto to final passage without intervening motion except one motion to recommend with or without instructions.

The SPEAKER pro tempore (Mrs. BIGGERT). The gentlewoman from North Carolina (Mrs. MYRICK) is recognized for 1 hour.

Mrs. MYRICK. Madam Speaker, for purposes of debate only, I yield the cus-

tomary 30 minutes to the gentleman from Ohio (Mr. HALL); pending which I yield myself such time as I may consume. During consideration of this resolution, all time yielded is for the purpose of debate only.

Madam Speaker, yesterday the Committee on Rules met and granted an open rule for H.R. 4828, the Steens Mountain Wilderness Act. The rule waives all points of order against consideration of the bill. The rule provides for 1 hour of general debate to be equally divided between the chairman and the ranking minority member of the Committee on Resources.

The rule makes in order as an original bill for the purpose of amendment the Walden amendment in the nature of a substitute printed in the CONGRESSIONAL RECORD and numbered 1, which shall be open for amendment at any point.

The rule authorizes the Chair to accord priority in recognition to Members who have preprinted their amendments in the CONGRESSIONAL RECORD. The rule allows the chairman of the Committee of the Whole to postpone votes during consideration of the bill, and to reduce voting time to 5 minutes on a postponed question if the vote follows a 15-minute vote.

Finally, the rule provides for one motion to recommit, with or without instructions.

Madam Speaker, H. Res. 609 is a fair and open rule for a noncontroversial bill. Last year, the Secretary of the Interior told folks in southeastern Oregon that the President might designate Steens Mountain as a national monument. Steens Mountain is deserving of protection, but the local residents who live and work in the area became worried their livelihoods were in danger; that the President would impose all sorts of restrictions on land use and put them out of business.

In response to these concerns, the gentleman from Oregon (Mr. WALDEN) decided to work out a compromise solution. He brought everyone to the table, including the governor of Oregon and the Secretary of the Interior, and they worked out a compromise which protects the environment and protects ranching and recreational activities.

The entire Oregon delegation, both Democrats and Republicans, support this bill. Indeed, this is how legislation should be done, and the gentleman from Oregon (Mr. WALDEN) deserves credit for working hard to write a bill that everyone can support before it even reaches the House floor. So I urge my colleagues to support this rule and to support the underlying legislation.

Madam Speaker, I reserve the balance of my time.

Mr. HALL of Ohio. Madam Speaker, I yield myself such time as I may consume, and I thank the gentlewoman from North Carolina (Mrs. MYRICK) for yielding me the customary time.

This is an open rule. It is a bill to protect the natural resources near Steens Mountain in Oregon. As my col-

league from North Carolina has described, this rule provides for 1 hour of general debate to be equally divided and controlled by the chairman and ranking minority member of the Committee on Resources. The rule permits amendments under the 5-minute rule. This is the normal amending process in the House. All Members on both sides of the aisle will have the opportunity to offer germane amendments.

The area near Steens Mountain is home to unique land formations, beautiful lakes, and rare and diverse plants and wildlife. The bill designates wilderness areas, wild and scenic rivers, and other management arrangements to preserve the area's natural resources.

Madam Speaker, this is an open rule, it is the normal process, the bill has bipartisan support, and I support the rule and the bill.

Madam Speaker, I have no further requests for time, and I yield back the balance of my time.

Mrs. MYRICK. Madam Speaker, I have no further requests for time, I yield back the balance of my time, and I move the previous question on the resolution.

The previous question was ordered.

The resolution was agreed to.

A motion to reconsider was laid on the table.

The SPEAKER pro tempore (Mr. GANSKE). Pursuant to House Resolution 609 and rule XVIII, the Chair declares the House in the Committee of the Whole House on the State of the Union for the consideration of the bill, H.R. 4828.

□ 1211

IN THE COMMITTEE OF THE WHOLE

Accordingly, the House resolved itself into the Committee of the Whole House on the State of the Union for the consideration of the bill (H.R. 4828) to designate wilderness areas and a cooperative management and protection area in the vicinity of Steens Mountain in Harney County, Oregon, and for other purposes, with Mrs. BIGGERT in the Chair.

The Clerk read the title of the bill.

The CHAIRMAN. Pursuant to the rule, the bill is considered as having been read the first time.

Under the rule, the gentleman from Utah (Mr. HANSEN) and the gentleman from California (Mr. GEORGE MILLER) each will control 30 minutes.

The Chair recognizes the gentleman from Utah (Mr. HANSEN).

Mr. HANSEN. Madam Chairman, I yield myself such time as I may consume.

Madam Chairman, I rise in support of H.R. 4828, the Steens Mountain Cooperative Management and Protection Act of 2000.

Madam Chairman, today we have the opportunity to protect Steens Mountain in Oregon, one of the most beautiful areas in the West. What brings us here today is nothing more than the relentless efforts of the gentleman from Oregon (Mr. WALDEN) over the past few
