

The bill (S. 2478), as amended, was read the third time and passed, as follows:

S. 2478

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

This Act may be cited as the "Peopling of America Theme Study Act".

SEC. 2. FINDINGS AND PURPOSES.

(B) the thematic framework recognizes that "people are the primary agents of change" and establishes the theme of human population movement and change—or "peopling places"—as a primary thematic category for interpretation and preservation; and

(7) although there are approximately 70,000 listings on the National Register of Historic Places, sites associated with the exploration and settlement of the United States by a broad range of cultures are not well represented.
