

S. 1694, initiated by Senator Akaka, authorizes an important study, focusing on opportunities for water reuse, recycling, reclamation and conservation of water and wastewater for agriculture and non-agriculture uses.

It is essential to the future of generations to come to Hawaii that wise decisions on water conservation and allocation be made. Enactment of S. 1694 is a major step in that direction and I urge passage of the bill.

(5) the use of the trail played a significant part in events that affected Hawaiian history and culture, including—

(A) Captain Cook's landing and subsequent death in 1779;

(B) Kamehameha I's rise to power and consolidation of the Hawaiian Islands under monarchical rule; and

(C) the death of Kamehameha in 1819, followed by the overthrow of the ancient religious system, the Kapu, and the arrival of the first western missionaries in 1820; and

(6) the trail—

(A) was used throughout the 19th and 20th centuries and continues in use today; and

(B) contains a variety of significant cultural and natural resources.

This bill will provide a necessary recreational resource to the State of Hawaii, and I urge my colleagues to support S. 700.

Madam Speaker, I reserve the balance of my time.
