WASHINGTON, MONDAY, DECEMBER 4, 2000

No. 147

Senate

The Senate was not in session today. Its next meeting will be held on Tuesday, December 5, 2000, at 12 noon.

House of Representatives

MONDAY, DECEMBER 4, 2000

The House met at 10 a.m.

The Chaplain, the Reverend Daniel P. Coughlin, offered the following prayer:

As winter times descend upon this Nation, we gather today to seek the warmth of Your guidance and the strength to face cold, realistic winds, O Lord.

Though the days grow shorter our minds and hearts are in need of Your Spirit to broaden our vision and unite a nation.

Grant Your people patience. Teach us wisdom in our waiting.

As color fades from the earth help us to break deep down into new depths of understanding and once again be rooted in the principles of our constitution.

May the Members of this House and all public servants of the court and government be agents of stability and Your instruments of peace now and forever. Amen.

SWEETHEART NUCLEAR WASTE DEALS

(Mr. GIBBONS asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. GIBBONS. Mr. Speaker, today I rise dismayed and appalled by the illegal sweetheart deals being made by the Department of Energy and the nuclear power industry.

These backroom agreements between the Clinton-Gore administration and the nuclear industry ignore the public safety and health of millions of Americans, and run completely contrary to the laws passed by Congress.

This Congress has always maintained that any nuclear waste repository project must be based on sound science and safety. However, documents recently released by the DOE show that the Department is not concerned at all with safety or science. Their prime concern is "selling" Nevada's Yucca

Mountain project as a permanent nuclear waste dump, even though the final suitability studies have not been completed.

The DOE has chosen to risk the health and safety of millions of Americans and expose them to a devastating environmental disaster because it is an expedient answer to a problem faced by the nuclear industry.

Once again, Mr. Speaker, this administration has misled Congress, ignored the law, and jeopardized the safety of America.

TIME TO CERTIFY GEORGE W. BUSH AS THE NEXT PRESIDENT OF THE UNITED STATES

(Mr. TRAFICANT asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. TRAFICANT. Mr. Speaker, Josef Stalin once said: Those who cast the ballots decide nothing; those who count the ballots decide everything.

How true it is. The wrinkled, dimpled, even pregnant chads have been counted several times. The Florida Supreme Court went beyond its bounds in changing the intent of Florida law.

It is time for the courts and the lawyers to get out of the way and to certify George W. Bush as the 43rd President of the United States of America.

Enough is enough. The division and stratification must stop. I yield back the need to begin a transition to a George W. Bush administration.

VICE PRESIDENT GORE SHOULD CONCEDE THE PRESIDENTIAL ELECTION AND ALLOW THE PRESIDENT-ELECT TO BEGIN THE TRANSITION TO OFFICE

(Mr. STEARNS asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. STEARNS. Mr. Speaker, almost 4 weeks ago the American people went to the polls to elect a new president. This election was close, but the election is over. Governor George Bush is the certified winner of 271 electoral votes. He is the president-elect.

However, Vice President GORE has taken the unprecedented step of contesting a presidential election in court. Governor Bush won the original vote in Florida. He then won the required recount vote and won again, and won again when the overseas ballots were included. He won a fourth time when the counties submitted the results of their hand counts and the Secretary of State certified the results.

For the first time in history, the party currently in control of the White House is refusing to cooperate with the transition to a new administration. Vice President GORE should concede, end his legal challenges, and allow the President-elect to prepare to take on the awesome responsibilities of the office.
