TRIBUTE TO TOM THOMSON

● Mr. SMITH of New Hampshire. Mr. President, I rise today to honor Tom Thomson of Orford, NH, for being recognized with the "Outstanding Achievements in Sustainable Forestry" award by the American Forest Foundation.

As a young man, Tom purchased his first wood lot of 125 acres with his two older brothers near Orford, NH. He continued to purchase more land and managed its resources adhering to the principles of sound forestry.

Tom's family tree farm is certified by the American Tree Farm System as being a productive, sustainable forest that provides outstanding wildlife habitat and recreational opportunities, and contributes to soil conservation and water quality. The tree farm has now expanded to over 2,600 acres in New Hampshire and Vermont.

Tom has been a tireless promoter of sustainable forestry for both New England and national woodland owners. A contributor to his community, he takes every opportunity to share information about tree farming. The Thomson Family Tree Farm is open year-round to school groups and individuals who want to learn more about sound, long-term forest management.

His wise management of forest land and his commitment to promoting good forestry practices to others has earned Tom many honors throughout the years. Tom has accomplished a great deal for New Hampshire and the people of this State look upon him with tremendous gratitude and admiration for all that he has done.

I am honored to call Tom a friend and a fellow Granite Stater. It is an honor and a privilege to represent Tom Thomson in the United States Senate.●
