

Mayor of Daly City, was recently re-elected to the city council and has been honored as "one of the top 20 lawyers under 40" by the newspaper California Law Business.

Sal has demonstrated his commitment to excellence and his civic concern since he was a student of psychology at UCLA. He received the Chancellor's Marshall Honors for his academic accomplishment as well as his participation in various community service projects, including the Amigos Del Barrio Tutorial program. Sal was the Director of this excellent program which matched over 200 under privileged elementary school students with college students who offered various types of academic support. Sal's civic concern with the Hispanic community continued following his graduation from UCLA in 1983 in his work with Hispanic Consumer Advocates, the first consumer affairs radio show in Los Angeles to be broadcast entirely in Spanish.

Mr. Speaker, Sal earned awards for scholarship and advocacy on many occasions during his legal education at the University of San Francisco School of Law. These awards included the Judge Harold J. Haley Award and the Student Bar Association Award. Today Sal puts his legal education to good use as Assistant General Counsel to Tomen Agro Inc., where he handles international commerce, anti-trust and trademark matters, and public relations.

The heavy demands of his profession have in no way limited Sal's commitment to community service. If anything, the list of community activities in which Sal has been involved has grown since the beginning of his professional career. Sal has been an active participant in the State Bar Association's Human Rights Committee and the Volunteer Legal Services Program of the San Francisco Bar. He has volunteered to take San Mateo youths on probation to clean up graffiti as part of Daly City's anti-graffiti program. He is also the mentor for Unity 2000, an organization that aspires to change negative stereotypes about local teenagers.

Sal has also been the General Counsel to San Mateo County's Latino Leadership Council, a remarkable organization that strives to educate the general public on social, political, and economic issues that affect the Latino community. He worked as the Newsletter Editor and as one of the Directors of the San Francisco La Raza Lawyers Association. Sal also managed to find time to host a weekly public affairs television show that focuses on issues of concern to the Latino community. This already extensive list only begins to describe Sal's endeavors to improve the community and the lives of those around him.

Mr. Speaker, Sal's service and dedication to Daly City deserves special commendation. He was first elected to the City Council in 1996. The economic prosperity which the city has enjoyed has given him and his fellow council members an opportunity to make an important contribution to the health and vitality of the city. Daly City has been able to implement a \$40 million capital improvement program that is creating new community centers, libraries, and improved parks and playgrounds.

Sal has also demonstrated the capacity to handle crisis situations. He worked to secure funds from the Federal Emergency Management Agency (FEMA) which helped to evacuate and reimburse the residents of 30 seaside homes that were dangerously close to

slipping off a cliff following severe winter storms. The residents of Daly City are truly fortunate to have Sal's energy and intelligence to advocate their interests.

Mr. Speaker, I am pleased to have this opportunity to pay tribute to Sal Torres. He has been an outstanding leader whose civic concern and whose dedication to public service should be an inspiration for all of us. I think the advice that Sal gives to the teenagers whom he mentors best describes this spirit: "Never give up. Follow your heart. If you are persistent and believe in your heart that you can do it, nothing can ever stop you."

LET'S SUPPORT COMMUNITY
HEALTH CENTERS

HON. EDOLPHUS TOWNS

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Wednesday, March 28, 2001

Mr. TOWNS. Mr. Speaker, I want to join my colleagues in stressing the importance of funding community health centers at a level of at least \$175 million for FY 2002. In my home State of New York, we provide over 164,000 residents who are uninsured or Medicaid recipients with health care services. Low-income New Yorkers are dependent on these centers for important services like, immunizations, breast and cervical cancer exams as well as treatment for asthma, diabetes and heart disease.

Communities served by community health centers make a real difference in the quality of life for that community. For example, infant mortality rates have been shown to be 10 to 40 percent lower than communities not served by health centers. Health center patients have lower hospital admission rates and shorter hospital stays, and make more appropriate use of emergency room services. Moreover, centers have significantly increased the use of preventive health services like pap smears, mammograms, and glaucoma screening services among the populations they serve. The centers have also made significant strides in preventing anemia and lead poisoning. And finally, centers have been reported to make the

benefits of public insurance programs available to more eligible children and adults. The HHS inspector general recently commended health centers for their successful efforts in finding thousands of children and adults who are eligible for, but not enrolled in, the Medicaid and S-Chip program and assisting them to enroll in these programs.

In addition, we need to ensure that the reauthorization of the health centers program under section 330 of the Public Health Act occurs early during the 107th Congress. I especially want to stress the need to restore authority for facility construction and renovation as well as an appropriate allocation among the community, migrant, homeless and public housing health center programs.

Mr. Speaker, I look forward to working with my colleagues on Energy and Commerce's Subcommittee on Health to fully support community health centers and I urge my colleagues to actively support this critical health care program which provides so much in the way of services to low-income Americans.

IN MEMORY OF EL PASO CITIZEN
AND WWII VETERAN FRANCISCO
TORRES

HON. SILVESTRE REYES

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, March 28, 2001

Mr. REYES. Mr. Speaker, I would like to take this opportunity to recognize a proud and distinguished individual from my district of El Paso, Texas who passed away earlier this month. Mr. Francisco Camargo Torres was a longtime resident of El Paso and was a devoted member of the Catholic Church. When the time came for our young men and women to answer the call of duty during World War II, Mr. Torres proudly offered service to his country as a member of the U.S. Army Air Corps.

Mr. Torres returned home a hero with several decorations including the American Defense Ribbon, the Asiatic Pacific Theater Ribbon, the European African Middle Eastern Theater Ribbon, the Good Conduct Medal and four Overseas Bars. Mr. Torres leaves a proud and honorable legacy for his family, friends, and for his nation to admire. The service he offered to his country is one that we, as a nation, recognize as the greatest sacrifice for the survival of freedom and liberty. Mr. Torres fought against the enemies of the United States and did so with distinction.

Upon his return home, Mr. Torres worked for and retired from the Southern Pacific Railroad. He returned to his community and worked to ensure its growth and prosperity. Mr. Torres is survived by his wife Roselia V. Torres, his sons Jose Francisco, Victor, Rosendo, Armando, and Jaime, daughter Lilia Maria Carter, 16 grandchildren and two great grandchildren.

Mr. Speaker, individuals such as Mr. Torres chose to fight for the freedom of their country and returned to help build its future. The Torres family can rest assured that posterity is well served by Mr. Torres' accomplished life. Mr. Torres was laid to rest in Fort Bliss National Cemetery and his legacy and blessings to the city of El Paso and the family survived by him will never be forgotten. I honor this veteran and citizen of my district and offer my most sincere condolences to his family.
