

would be attractive to some who otherwise might not be in a pension system due to low incomes.

The bill also allows small businesses to receive two tax credits, one for start-up administrative costs associated with a new pension plan and another for contributions made to a pension plan for non-highly-compensated employees covered under the plan.

Mr. Speaker, I believe this bill would make significant progress in encouraging employees to participate in a pension system and, most importantly, to keep them participating. I hope this year we will move this legislation and attach it to any piece of major pension legislation that moves or sails through this Congress.

PAYING TRIBUTE TO DAN KROLL

(Mr. ROGERS of Michigan asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. ROGERS of Michigan. Mr. Speaker, I rise today to share with this body an uncommon act of my constituents, Dan and Lisa Kroll of Marion Township, Michigan.

Kelly, Ray and Collin Shuler are neighbors of Dan Kroll. Collin, the Shuler's 2-year-old son, suffers from a serious brain injury which causes him to have partial blindness and stunted development. The Shulers have traveled throughout this Nation and to Canada in order to learn physical therapy procedures that they can perform themselves on their son. The family also pays upwards of \$30,000 per year in out-of-pocket medical expenses for Collin.

When Dan Kroll and his wife Lisa learned of their young neighbor's condition, they decided to help. By calling contacts on Dan's United Parcel Service route, Dan and his wife Lisa put together a fundraiser for Collin. Dan and Lisa Kroll hosted a major benefit dinner for Collin Shuler. The event was a tremendous success, gathering friends and neighbors, nearly 500 individuals who attended, and more than \$20,000 was raised.

Mr. Speaker, we are quick sometimes to condemn the acts of aggression, and not so quick sometimes to celebrate the acts of kindness that happen in America. Dan and Lisa Kroll have shown this kind of kindness by bringing the entire community of Howell, Michigan, together to make a difference in the lives of their neighbors.

This act of kindness must not go without recognition. Therefore, Mr. Speaker, I respectfully ask my colleagues to join me in paying tribute to Dan Kroll for being an inspiration to us all, and for reminding us that community service is an important part of American life.
